INFORMATION ITEMS

- Plante Moran presented the FY 2019-20 Annual Financial Audit Report
- Dr. Swift presented an update to the AAPS Reimagine Learning/Continuity of Learning Plan Fall 2020

BRIEFING ITEMS

- Mr. Lauzzana presented a recommendation to purchase a walk-in cooler for Scarlett Middle School to replace the existing cooler which is beyond its useful life. The cooler is necessary to sustain food service operations during in-person instruction. AAPS received 3 bids from qualified contractors. NRC Builders of Farmington Hills is the recommended contractor as the lowest qualified bid to procure and install a new walk-in cooler in the amount of $99,500 plus a contingency of up to $14,925. Funding will be provided through the Sinking Fund.

ACTION ITEMS

Mr. Lauzzana presented the 2019 Bond Preliminary Phase I Plan for consideration.

Ms. Minnick presented a purchase recommendation for Food Service Equipment for Classroom Feeding Model. When in-person instruction resumes, students will eat meals with their cohort in their classrooms in order to promote social distancing and avoid large gatherings of students. Depending on grade levels, this classroom feeding model will require breakfasts and lunches to be delivered to classrooms, or to be served to students at hallway stations or in the cafeteria servery, where students will then return to the classroom to eat. This equipment is comprised of 17 one-door mobile freezers, 45 transport carts, 24 Grab & Go pick-up stations, and 24 breakfast merchandising carts totaling $175,499. Funding for this equipment will be provided through the 2015 Building & Site Bonds and/or CARES grant.

Approved the Board of Education Meeting Schedule for January through June 2021.
