Strategic Equity Plan Focus Areas

**A Foundation of Dignity**
A culture of dignity, and the recognition of the dignity of every student is central to equity work. In the AAPS, we will nurture a climate of belonging through shaping and maintaining a culture of dignity for every student, staff & family member.

All students learn, grow and achieve at high levels.

**Well-Being: Social-Emotional, Mental and Physical Health**
School environments and practices support the social-emotional, mental and physical well-being of students and staff.

**Safety and Security**
All students are safe and secure at school; systems are in place to address safety concerns.

**Design District Systems for Equity, Access and Opportunity**
Align district procedures, regulations, practices and policies to the responsibility of ensuring equity throughout the organization.

**Courageous Equity-Centered Leadership**
Leaders demonstrate courageous actions necessary to remove inequities and barriers to ensure optimal learning and growth.
