Skyline Family,

Upon our return from Thanksgiving break, the end of Semester 1 approaches quite quickly. We want to remind our Skyline students and families to be especially mindful of this time given our familiarity with the trimester system. This year as we work in our semester system, our end of term assessments culminate the week of 1/25/2021.

End of term assessments, portfolios, or final projects that constitute the S1 grade are in place for all courses. What constitutes the end of term assessment for each class aligns with the unique skill sets and course content our courses support our students to attain. If you have questions regarding the expectations for an end of term assessment for one of your child's courses, please inquire with your child and see what they know. Next, you may check the course syllabi and schoology site for the course for final information. Finally, if questions remain please don't hesitate to reach out to your child’s teacher for more information.

Our Semester 1 End of Term schedule is as follows:

<table>
<thead>
<tr>
<th>Week of Jan 18</th>
<th>End of Term Schedule</th>
<th>Daily Schedule (Week of 1/25)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1/18 - No school</td>
<td>1/25 - Block 1, 7</td>
<td>Period 1: 8:30 - 10:10</td>
</tr>
<tr>
<td>1/19 - B(alt)</td>
<td>1/26 - Block 2, 4</td>
<td>Break: 10:10 - 10:30</td>
</tr>
<tr>
<td>1/20 - Async</td>
<td>1/27 - Async</td>
<td>Period 2: 10:30 - 12:10</td>
</tr>
<tr>
<td>1/21 - A</td>
<td>1/28 - Block 3, 5</td>
<td></td>
</tr>
<tr>
<td>1/22 - B</td>
<td>1/29 - Block 6, makeup</td>
<td></td>
</tr>
</tbody>
</table>

As we all work together to aid our Skyline Eagles in workload planning, it is important to be conscious that there are two 3-week periods separated by Winter break that make up the rest of this first semester. These weeks between Thanksgiving and Winter Break high school students can often procrastinate work thinking they will catch up during or after winter break. Our experience
tells us this is rarely true. In fact, this practice typically further exacerbates students' struggles.

Let's be mindful of this common error and work together to support our students to push through and accomplish some great progress these weeks that lead us into break - knowing that reprieve is near.

This is an integral time for our students, staff, and parents alike as we all work together to support students in demonstrating mastery in each of their 1st semester courses and attaining the knowledge and credits necessary to progress, grow, and learn - our collective goal.

Skyline family, let us keep our students close as we press through to the close of this term and work together to help our children focus and prioritize their efforts.
Cory McElmeel, Principal

Upcoming Announcements

Skyline SAS - Student Action Senate Updates

In the past the Activism Committee of SAS has offered a Club Fair for students at school during Skytime. Students could walk around the commons from table to table to see what clubs and organizations Skyline had to offer. In this new virtual world we still want our student body to be involved so we created the Sky SAS Virtual Club and Team Fair. This slide deck presentation shares information on over 50 clubs, organizations and teams students can get involved with at Skyline. If you have questions about specific groups - please contact the person listed in that organization slide.

Link to Skyline SAS Virtual Club and Team Fair [HERE](#)
Interested in changing to fully Asynchronous Virtual instruction for 2nd Semester?

For the 2020-21 school year, families could choose to continue enrollment with their neighborhood school through the synchronous A2 Classroom Connect option, or enroll in a fully asynchronous learning pathway through A2 Virtual+ Academy. At this time, we are offering families the opportunity to make a change in their enrollment status for 2nd semester that begins on February 1. There will be an informational meeting presented by A2 Virtual+ about the differences between synchronous and asynchronous learning options on December 8, 2021, from 6:00 - 7:00 PM. For more information on this meeting and on the enrollment options, please click HERE.

PTSO Meeting with Magnet Presentations
(Attention 9th grade families)

There will be an informational meeting for parents looking to learn more about the magnet programs at the Dec. 8 PTSO meeting from 6:00-7:00pm. Please plan on attending if your 9th grade child is considering applying to a magnet.

The magnet programs at Skyline provide flexible hands-on learning experiences that empower learners to reach their potential. The theme-based approach promotes many of the factors associated with effective schools, chiefly, innovation in program and practice, staff and curricular coherence, increased parent and community involvement, and greater student engagement, all of which add up to higher student achievement.

9th grade students will be introduced to the four magnet programs within the context of their regular academic core classes during Magnet Exploration Week Jan. 4-8, 2021. There will be a presentation in Skytime on Friday, Jan. 8. This exploration will provide both a chance to better understand the themes and learning environments of the magnets and will also give all students an opportunity to consider their own personal interests so that, whether they select a magnet or not, they will begin to think of the choices and opportunities in their futures. Magnet Applications will be available online this year. The online link will be placed on the Skyline homepage and will open Friday, January 8, 2021. Applications are due by Wednesday, January 20, 2021 at 3:00pm.

The random lottery of magnet applications will take place Monday, January 25, 2021 More information via a link about the magnet programs at Skyline will be forthcoming.

Skyline's BSU is hosting a campaign with Food Gatherers

Skyline’s Black Student Union (BSU) is hosting a campaign with Food Gatherers- Washtenaw
County's largest food bank. We believe that access to good, nutritious foods is a human right! Food is also love, culture, and well-being. Please consider helping BSU to raise $500 to help families in need in Washtenaw County. With this holiday season being particularly difficult, every little bit helps! Community is power! Check out the link! We thank you in advance!

This Week in Athletics

Winter Athletics Update

Participation in athletics practices and competitions comes with a risk to the health and safety of those involved. This fall, we carefully deliberated established health and safety guidelines that aligned with and enhanced those provided by the MHSAA. Under the Governor's new executive order, all athletics are suspended until Dec. 9th. The MHSAA representative counsel is meeting Friday, Dec. 4th with a potential decision on beginning Winter practices and Fall tournaments on Dec. 9th. After a decision, AAPS will re-evaluate and make a decision on those fall sports still in tournament play and winter sports. The risks to health and safety are inherently higher for winter sports than fall sports because winter sports are all indoors where mitigation strategies are more challenging to implement and control.

In the meantime, we want to reinforce the importance of consistently following all COVID-19 mitigation strategies; consistent use of face coverings, maintaining social distance, hand sanitization, etc. Any athlete experiencing symptoms of COVID-19 - even mild symptoms - should consider a self-quarantine. If your athlete is experiencing any symptoms, please consider getting a COVID-19 test. The WCHD has information about testing locations here.

Below are continued reminders from AAPS! Go Eagles!

Additional Information:

- Registration for winter athletics is open. To start registration go Here
- For Athletic Physicals, you may upload last year's physical or get a new physical and upload that form. If you choose to upload last year's physical you are also required to fill out the MHSAA health questionnaire and upload that as well.

MHSAA Scholar Athlete Applications update

There is still time to apply for the MHSAA Scholar-Athlete Award. The deadline is TOMORROW Friday, Dec. 4, at 4:00 p.m. Below are some frequently asked questions:

How do I upload letters of recommendation?
1. When the student gets to the Letters of Recommendation task of the application process they will select whether they want to: 1) upload the letters themselves, or 2) request that recommenders upload their own letters.

2. IMPORTANT: After making this selection they need to click “Mark as Complete.”

3. Once they click Mark as Complete a third task will populate which will allow the applicant to upload the letters themselves or enter the email addresses of the recommenders.

4. If any recommenders have trouble accessing their account or uploading the letters of recommendation, email the letter(s) directly to Paige Winne – paige@mhsaa.com. I will then upload the files for them.

For access code, email Athletic Director, Bob Wellman at wellmanr@aaps.k12.mi.us

---

**Counselor Connection**

- **TRAILS groups**- Counselors are in the process of inviting students to participate in TRAILS groups scheduled to begin after the first of the year. TRAILS (Transforming Research into Action to Improve the Lives of Students) is a program designed by Elizabeth Koschmann, PhD and her team at the University of Michigan that brings mental health supports for students struggling with anxiety and depression into the schools. If you think that your student could benefit from this support, please reach out to their counselor.

- **A2Virtual+ Registration Open for Semester 2** - If you plan to take a Semester 2 class with A2Virtual+, please register now on the A2Virtual+ webpage to secure a seat! [https://www.a2schools.org/a2virtual](https://www.a2schools.org/a2virtual)

- The AAACF Youth Council, is currently assessing the youth needs of the community and where they can help. Please take a moment to complete this survey. The feedback they receive will assist in the development of programs that they are able to assist with this year. **Survey link:** [https://www.surveymonkey.com/r/WashtenawYouth](https://www.surveymonkey.com/r/WashtenawYouth)

---

**Self Advocacy at Skyline**

Please check out the presentation linked here to learn about ways students can self advocate in the virtual learning environment. There are great tips and tools to help students find success in this new way of learning.

---

**Seniors**

College Update:
We are in the midst of the college application season and the Skyline school counselors are here to help! Please reach out to your school counselor if you have any specific questions about the college application process.

Some upcoming deadlines are:

1) **FAFSA is now available**
   - Information about the FAFSA has been posted on the Sky Senior Schoology Class of 2021 group
   - Article on steps for preparing to submit the FAFSA.
   - Help with the FAFSA - there are several workshop opportunities posted on Sky Senior Schoology Class of 2021 group
   - Earn a chance at a $1,000 scholarship for completing the FAFSA.
     i) 200 Complete the FAFSA scholarships will be awarded in October, November, and December.
     ii) [https://opportunity.collegeboard.org/](https://opportunity.collegeboard.org/)

2) **Scholarship Applications - Start now!**
   - Start applying for scholarships at prospective colleges.
   - Scholarship search is available on Naviance and can be found within the “Colleges” section under “Scholarships and Money.”

Please remember to review the senior presentation for details on how to request transcripts and letters of recommendation in Naviance.

**Juniors and Seniors**

College representatives are available to meet virtually! You can review an updated college visit list [here](#). In addition, review the Sky Senior Schoology Class of 2021 group for important updates.

---

**Skyline CUBE Update**

**Weekly Virtual College Visits**

**Skyline High School**

**Virtual College Visit Procedure**

- Notify your classroom teacher(s) before signing up for the Virtual College Visit - Make sure you are not missing important information (Exam, Experiment, etc.) **Note:** If the visit will run into another class period notify that teacher prior to attending the visit. Do not interrupt the class/teacher when returning to class.
- Have a plan in place to recover the information you will be missing before attending the Virtual College Visit
• Secure permission from your parent(s). Provide your parents with the date and time of the Virtual College Visit.
• The day of the visit check-in with your classroom teacher(s) and attend the visit via the zoom link provided.
• The Cube will validate your attendance at the end of the period.
• At your next class meeting request any missed assignments/exam. Secure the deadline to submit the missed assignment/test/experiment prior to attending the Virtual College Visit.

Please note: An updated list of all virtual college visits can be found at: https://www.a2schools.org/Page/16484

Skyline Family Reminders

Skyline Student/Family Guidebook

Click HERE

As a reminder to our families, please review our virtual student/family guidebook for Skyline High School 2020-21 school year. Our handbook is a great place to go if you have questions about Skyline High School.

Skyline Academic Calendar

Are you the type that likes to load your calendar with all the events for the year? Maybe you plan ahead. Well look no further...

Skyline’s Academic Calendar is linked HERE

The beginning of this year was quite busy and we have noticed our Academic Calendar may have been overlooked by some families amongst all of our new, virtual orientation materials this year. Please spread the word and share this great resource with your friends. Also, please be mindful that this calendar is live/active. As events are planned and revised our calendar is as well, so please check back or set up google doc update notifications so you are notified of changes.

Google Doc Notification Tutorial Linked HERE

Student Attendance Reporting

Students are expected to fully participate in class each day. To ensure student success in reaching the learning targets, we need your support to make sure students are present daily and on time for class. We understand some absences are unavoidable. However, given the structure of the program, missing a week or several days will make it difficult for a student. It is important for
students to understand that grades will be issued for all classes this year whether we are virtual or in person.

Parents please call the attendance line and report/excuse student absences.

**It’s is not necessary to report absences on fully-asynchronous school days**

Skyline Attendance Line: 734-994-7842

**Schoology and Powerschool Parent Information**

**Schoology for Parents**

Here is a link where you will find information with instructions on how to create, log into, and use your Schoology account. You should have received a unique access code from your student’s Skytime teacher. If not, please contact them.

If you require additional technical support please contact:

- Call Schoology Support - Available 7am - 7pm **734-997-1222**
- Email Schoology Support - Available 7am-7pm family_techsupport@aaps.k12.mi.us

**Powerschool for Parents**

The Ann Arbor Public Schools encourages all parents to set up Single-Sign On accounts to access the PowerSchool parent portal. Please watch for updates here as well information mailed from your school(s) and the central office.

**PDF:** [Instructions for Setting Up Your Single Sign-On Account](https://youtube.be/UEWSnbR7Qzq)

**Video:** [https://youtube.com/watch?v=vA8gl-qTImI](https://youtube.com/watch?v=vA8gl-qTImI)

Limited technical support for parents having difficulty setting up their accounts is available by emailing pssparent@aaps.k12.mi.us. NOTE: ITD cannot create accounts nor provide access keys.

PowerSchool Mobile App available for Android and iOS. The video below shows you how to get started.

**Video:** [https://www.youtube.com/watch?v=vA8gl-qTImI](https://www.youtube.com/watch?v=vA8gl-qTImI)

**District Code for PowerSchool app for iPhone/Android:** GGFF

AAPS Helpline at 734-545-2321

hosted by Dr. Eaddy-Richardson
Academic Resources for Families

Free Academic Support Resources
A number of local groups and organizations are offering free academic support for AAPS students. These free resources are primarily provided by U-M students and community volunteers. View Free Academic Support Resources Here.

Connections+ Guidelines and Tips
AAPS has created a Guide to support families who have created learning groups for AAPS students. The Guide includes hints and tips, safety information and free community resources. View the Connections+ Guide here.

Expectations in Learning for Students with Specialized Learning Needs
The AAPS is sharing what students with special needs and their families can expect during virtual learning, and importantly, steps to take if these expectations are not met. This information can be found HERE.

Connecting Together: An AAPS Parent/Guardian Support Group
This AAPS Parent/Guardian Support Group will provide an opportunity for parents to connect to find support and get ideas about how to face the challenges of 2020. Last year, parents who participated in an AAPS parent support group consistently reported that they found it helpful, and appreciated hearing from and connecting with other parents going through similar struggles.

Groups meet:
- 2nd Tuesday of the month - 7:30 - 8:30 PM
- 4th Thursday of the month - 1-2 PM

Register HERE

Help! Who’s this Pre-Teen/Teenager in My House?
Parents will learn ways to build and strengthen their relationships with their pre-teen/teen(s) as well as understand ways to navigate those difficult moments when your teen’s view on life totally contradicts all that you have instilled in them. The pre-teen/teen parent group will run the third Wednesday of each month from 6:00 - 7:00 p.m., beginning November 18, 2020 through April 21, 2021. Parents can join the group via Zoom by going to: https://a2schools.zoom.us/my/haroldwimberly and using Passcode: 072866.

Please use this calendar of upcoming parent support groups, including the Connecting Together Groups that will be in Spanish, Chinese, Arabic, Japanese, and Korean

Food Distribution

**Note: AAPS will distribute seven days worth of food on December 21 & 28 at all locations.**
• Fall Food Distribution will continue on a Monday & Thursday schedule.
• Pick-up times are from 11:30-3:00pm and 4:30-6:00pm at Skyline.
• These meals are intended for children up to 18 years old and any child with special needs up to 26 years old. AAPS will distribute these meals to children, and parents/guardians.
• AAPS Food Service Hotline – If you have food allergy needs or cannot make it to a pick-up location please call 734-994-2265.
• Food Service / Free & Reduced Meal Application
• Additional details on food distribution and food assistance and be found - Linked HERE

AAPS Fall & Winter Break Food Distribution Schedule

Winter Break
Monday, December 21 - 7 days of food
Monday, December 28 - 7 days of food

AAPS Technology Distribution & Assistance

Please remember that all AAPS students will have the opportunity to receive a district-provided device to support remote learning while we are in the virtual learning phase of schooling. At the high school level this will be a chromebook. Following is information on how to attain your child’s district-provide device as well as links and contact info for tech and wifi troubleshooting.

NEW! Student & Family Help Desk Live Hours
Starting on Monday, November 30th, the Student & Family Help Desk will move to new live service hours of 7:30AM to 5:00PM, Monday through Friday. As always, families can leave a VM after hours as well as send an email to the help desk.

TECHNOLOGY ASSISTANCE
Students & Families
734-997-1222
Hours of Operation:
7:30am - 5:00pm (M-Fr)

Technology Help Desk email address: family_techsupport@aaps.k12.mi.us

Internet access support:
• please complete the 20-21 Student Mobile Hotspot Request Form
• Free or low cost internet options for AAPS families
Technology request form
Technology FAQ’s and Troubleshooting

Schoology Support

District Device Issuance Instructions:

New Students:
1. In advance of pickup of any district technology, please complete the AAPS 1:1 Form - Linked [HERE](#).
2. Families that still need to submit InfoSnap or Immunization paperwork must be ready to submit this paperwork when you arrive at technology distribution.
3. If you cannot complete this form online, please call 734-997-1222 or email family_techsupport@aaps.k12.mi.

**Additional details on district technology distribution can be found - Linked [HERE]**

**NEW! Change in Balas Technology Pick-Up/Drop-Off - November & December**

To keep all stakeholders safe during the current COVID uptick, ITD will move to an “appointment only” device pick-up/drop-off process for the remainder of November and all of December.

- When staff and families fill out the existing tech forms and/or call one of the Help Desks for device or hotspot needs, the Help Desks will schedule an “appointment window” pick-up/drop-off time for either Balas or at one of our locked kiosk locations.
- Staff and Families coming to Balas, will call 734-994-9001 when they arrive at the back doors of Balas and MUST stay in their car.
- A Tech Team member will roll out a cart with their technology needs or a bin to collect returning technology and then will go back inside Balas.
- The Staff or Family member will get out of their car to pick-up their technology and leave.
- The Tech Team member will come back out to retrieve the cart, clean the cart and prepare for the next appointment time.

---

**Social Emotional & Mental Health Supports**

**Skills for Stress Resilience and Supporting Mental Health**

With funding provided by the Miles Jeffrey Roberts Foundation, and with support from the Washtenaw ISD and Washtenaw County Community Mental Health, the AAPS is providing all families with the opportunity to view **Screenagers Next Chapter: Uncovering Skills for Stress Resilience**. For more information, please see the district’s [website](#), or click [HERE](#) to register for on-demand access to the documentary.

- AAPS invites you to attend a **Facebook Live event** on Tuesday, January 12, 2021, at 7:00 PM. Complete details about this event will be shared when we return from winter break, yet you may want to mark your calendar now.

**RAHS Clinic - Michigan Medicine’s Regional Alliance for Healthy Schools**

Providing substance use prevention group sessions at Pathways for Success Academic Campus throughout this school year. Each session includes 4 sessions of education and group activities with a goal to improve knowledge and decision making processes especially as it relates to
substance use. To be eligible for the group, participants must complete a RAHS registration and consent form and a group questionnaire which are available HERE. If you have any questions or concerns you would like to discuss, please contact Lisa Anderson, LMSW at lfattori@med.umich.edu or by phone (734) 997-3625.

New Oakland Family Center
Our own Master’s level therapists are just a phone call away through our 24-Hour Emergency Hotline, 877-800-1650, a resource designed to help people in mental and social-emotional crises any time, day or night, seven days a week, 52 weeks a year. In this way, we are able to assist people in real time according to our philosophy of the right care at the right time.

HOMELESS SUPPORT
Alicia Maylone, District Liaison - maylonea@a2schools.org

SNAP/EBT Benefits
If you have recently lost income and need assistance with food, you may be eligible for a benefit through the Supplemental Nutrition Assistance Program (SNAP). SNAP provides a monthly benefit on an Electronic Benefit Transfer (EBT) card (known as the MI Bridge Card) that can be used to
buy food at grocery stores, *farmers' markets* (see attached), and any food store with the USDA sign “EBT Accepted.”

If you are eligible, you could begin receiving benefits within 30 days. The card is mailed to your house and benefits are uploaded each month directly on the card. Applying is quick and confidential. If you have general questions or want more information, please visit [www.michigan.gov/mibridges](http://www.michigan.gov/mibridges) or call 888-544-8773.

**Poison Control** Hotline (24/7): 1-800-222-1222
