WHERE CAN I PARK?

This year the school lots will not be available for drop-off and pick-up of students.

Northside Community Church and Bethel A.M.E. have graciously agreed to let our parents use the parking lots during drop-off and pick-up times to leave cars for up to 30 minutes.

WHERE CAN I PARK ON THE STREET?

Legal street parking on:
- Taylor Street*
- Peach Street*
- Pear Street*
- John A Woods Drive
- Chandler Road
- Amhurst Avenue

*parking on one side of the street only—look for posted signs

HOW WILL MY CHILD SAFELY CROSS THE STREET?

A crossing guard is located at the Barton Drive crosswalk in front of the STEAM school. Parents are encouraged to walk their children to campus, however it is not mandatory. Other crosswalks will be monitored by volunteer Corner Captains to assist with safety. There are crossing guards at:
- Barton Drive @ STEAM Entrance,
- Peach St and Taylor St,
- Pontiac Trail and Taylor St.

We are recruiting volunteer Corner Captains for the 2017-18 school year. If interested, please email info@a2steampto.org

BEING GOOD NEIGHBORS

- Do not stop to discharge or pick up passengers on Pontiac Trail or Barton Drive.
- When street parking, please do not block driveways or fire hydrants.
- Please do not idle your car.
- Please obey all parking signs.
