AP Exams

Preparing for Testing Days 2024

Dear AAPS AP Testing Students and Families,

Ann Arbor Public Schools is excited to offer the opportunity for our students to take Advanced Placement (AP) Exams. Please note that all AP exams administered by AAPS take place on a specific date/time determined by the College Board and occur at the locations listed below. Transportation is NOT provided by AAPS and is the responsibility of the AP student.

The College Board has strict guidelines for exam administration. Not following guidelines may result in dismissal and/or nullification of exams. Students are responsible for reading and following all guidelines. There are no refunds for tests nullified due to a student not following testing guidelines.

- A cell phone
 - Students are **not allowed** to bring “electronic equipment (**cell phones**, smart phones, smart watches, tablets, computers, etc.), portable listening or recording devices (MP3 player, iPod, etc.), cameras or other photographic equipment, devices that can access the Internet, and any other electronic or communication devices.”
 - Per College Board, “If you are **observed in possession of** or using a cell phone, or unauthorized electronic device **in any manner at any time** before testing ends, **including at break**, you will be dismissed from testing and the device may be confiscated pending an investigation.” Schools that do not enforce these rules risk being banned from offering future AP tests. Violations must be reported to the College Board, which makes the final determination regarding the cancellation of your AP test score.”
 - Any student electronic devices will be collected at check-in and stored outside of the testing room until all testing is complete (AAPS is not responsible for loss or damage).
- A large bag or backpack
- Anything that may distract you from testing

Make Up Exams

Make-up exams occur May 22 - May 24, 2024, and are located at Pioneer High School.

- Make-up exams require special arrangements and approval through the College Board and may result in additional fees
- Not all makeup exam requests can be approved. The College Board determines make-up approvals.

AP Computer Science Principles Project Submission Deadline 4/30/24

April 30th is the deadline for students to submit their digital project portion of their AP Computer Science Principles exam. This project will be printed for them and available for their reference during a specific part of the exam. Students should work with their AP teacher for submission and to obtain any necessary supports for this submission.

Refunds are not available for exams nullified due to a student not submitting this required component of the AP Computer Science Principles Exam.

Students with Testing Accommodations

Through the College Board approval process, students may obtain access to various types of testing accommodations. Depending on the type of accommodation, a student may test in a different room and/or have extended time that may result in their exam lasting 1 ½ - 2 times longer. This means these student's pick-up time could be 1 ½ - 3 hours later than students testing standard time.
