Before School Program

- Morning programs open for students at 7:15 a.m.
- Upon arrival at the before school location, authorized adults must contact the EDP staff by calling/texting the site cell phone.
- The primary account holder or an authorized adult must accompany the student(s) to the school entrance.
- Drop-off may include unspecified wait time for EDP staff to give access to the building.

Extended Day Program Student Absence

- Please continue to alert your student's EDP site to an afternoon absence.
- Call, text or email the site directly no later than one hour before school dismissal.
 - The site phone numbers can be found on page 2 of the parent handbook, and at the bottom of this update.
 - **Please note:** Calling the school office does not ensure EDP staff are aware of your student's absence.
 - Primary account holders are responsible for informing their classroom teachers separately of variations in their student's after school schedule.
 - If your student is taking an enrichment class after school, please communicate the details (time and dates for the class) with the EDP site staff. EDP staff may not be able to walk your student to their enrichment class.
