**Program Notes:**

**Masks Required**

Masks are required inside all AAPS buildings for staff, students and visitors from January 9th - January 20th.

**Sites Opening**

- We are pleased to announce the opening of Angell AM care and Wines PM care.
- We plan to continue opening more sites as we gain more staff in the future.

**Extended Day Program Student Absence**

- Please continue to alert your student's EDP site to an afternoon absence.
- Call, text or email the site directly no later than one hour before school dismissal.
  - The site phone numbers can be found on page 2 of the parent handbook, and at the bottom of this update.
  - **Please note:** Calling the school office does not ensure EDP staff are aware of your student's absence.
  - Primary account holders are responsible for informing their classroom teachers separately of variations in their student's after school schedule.
  - If your student is taking an enrichment class after school, please communicate the details (time and dates for the class) with the EDP site staff. EDP staff may not be able to walk your student to their enrichment class.
