

COVID CHECKLIST for PARENTS/GUARDIANS

Rec & Ed Summer Programs 2022

Parents/guardians are partners in keeping Rec & Ed camps, classes, and other activities as safe as possible for all to enjoy. The steps below aim to reduce the risk of coronavirus transmission during Rec & Ed activities and to promptly report and notify parents of cases. Parents/guardians will be notified if cases occur in their child's activity.

✓ Before Coming to a Rec & Ed Camp/Class:

Prescreen your child for symptoms using this questionnaire: bit.ly/DailyPrescreen

Keep anyone with symptoms home and get tested.

✓ If Your Child Tests Positive within 5 Days of a Rec & Ed Activity:

Fill out Rec & Ed's Report a Case form as soon as possible: bit.ly/RecEdCase

Rec & Ed keeps all information strictly confidential.

✓ Wearing a Face Mask

Face masks are not required outdoors.

Indoor masking requirements are based on the [CDC's community alert levels](https://www.cdc.gov/media/releases/2020/s1105-cdc-community-alert-levels.html) for Washtenaw County:

- Green (low) = masks are optional indoors*
- Yellow (medium) = masks are optional indoors*
- Red (high) = masks are required indoors - be sure to send your child with a mask

*Per Washtenaw County Health Dept. guidelines, in some circumstances individuals may still be required to mask for short periods of time in some circumstances.

Across all programs, Rec & Ed is "Mask Friendly" because we know that some families/participants are more comfortable continuing to mask, especially while indoors.
