Welcome to the Ann Arbor Public School District. It is our desire that your family’s experience with Ann Arbor Public Schools will be one of fulfillment, enrichment and exceptional opportunities. Below is a checklist of the required documents and information necessary to complete the student enrollment process. Because of the numerous state and local reporting guidelines, this process can be time-consuming and paper intensive. It is our hope that by providing you with this checklist the experience will be less cumbersome. Once you have completed the enrollment application forms online and gathered the required documentation, you will need to contact your school to schedule an appointment. During the enrollment appointment, staff will review your student’s enrollment materials and discuss any further documentation needs based on your unique circumstances.
