

Directions for Enrolling

The Ann Arbor Public Schools Enrollment process begins with the online application system. This is a secure process that allows the district to collect and verify the information for your child prior to the start of the new school year.

To find out more about our schools and application options, please visit the district's website. Please note that some enrollment options, such as in-district transfers and school of choice applications, are only available at particular time frames. Check the district website for details: <http://www.a2schools.org/enrollment>.

Using the online application

1. Open a web browser and go to the URL: <http://www.a2schools.org/enroll>
2. Look for and click the '**Pre-Enroll Online Application**' link to go to the online form
3. Look for the 'Start Here' section to begin the form:
 - a. Does your family reside or plan to move into the Ann Arbor Public School District?
 - b. Does your child currently attend an Ann Arbor Public School?
 - c. What grade into will your child be in this fall?
4. Next, select from the available Enrollment options, noting that some options are available only at particular time frames:
 - a. New Enrollment to your neighborhood school
 - b. In-District Transfer (you wish your child to attend a school other than the school in your attendance area)
 - c. School of Choice (you live outside the Ann Arbor Public School District and wish to enroll)
5. Complete all required fields (flagged with a red *). Please be aware some fields (telephone, dates) have specific entry formats indicated to the right of the field.
6. Electronically sign and date the application
7. Enter an email address at which you wish to receive a submission confirmation

The screenshot shows the 'Pre-Enrollment' page for the 2020-2021 school year. It includes an 'Introduction' section with a welcome message. Below this is a 'start here' section with instructions to select enrollment options. Three dropdown menus are visible, each with a 'required' label and a blue arrow icon. The first dropdown is for 'My family resides or is moving into the Ann Arbor Public School District', the second for 'My child is currently attending an Ann Arbor Public School', and the third for 'I am enrolling my child in:'. All dropdowns currently show '- Select -'.

Review your application and click the **Submit** button to complete the application.

Starting in early Spring, parents enrolling for neighborhood schools will receive a message from the school inviting them to complete their enrollment and make arrangements to bring in their proofs of residency and other required documentation. In-District and School Of Choice applications will be processed according to the timeline posted on the Website: <http://www.a2schools.org/enrollment>.

If you have technical questions about completing or submitting the application, please contact PowerSchool Registration Support at 866-752-6850 or via email at support@infosnap.com.

If you have questions about the information being requested in the online registration portal, please contact the Student Accounting Office at (734) 994-2249 or email them at enroll@a2schools.org.
