

**Ann Arbor Public School  
Michigan School Meal Program - Free Breakfast & Lunch  
2023-2024 School Year**

**Dear AAPS Parents and Guardians,**

Please take a moment to complete the Free and Reduced Lunch (FRL) application (also known as the Summer EBT application), either online through Meal Magic or download the application from the website and return it to your student's school. You can also pick up an application at the school. This application is needed from all AAPS families because without this information, AAPS could lose important state funding for educational programs that our students are entitled to. These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- ✓ Instructional staff (ex. Reading Interventionists, Math, Academic and Behavior Aids)
- ✓ Counselors, Social Workers and School Nurses
- ✓ Professional Learning for staff
- ✓ Parent and Community engagement supplies and activities
- ✓ Technology

Here is the link to the [Free & Reduced Lunch/Summer EBT Application](#)

**Why is AAPS requesting financial information?**

The FRL/Summer EBT application determines eligibility of a student or household. The total count of eligible students is used to determine funding amounts that will be made to a school. The more forms returned the better for the school district.

**What do I need to do?**

Please complete the FRL/Summer EBT form and return it either through the Meal Magic site, or via a hard copy to your school. Your assistance in helping us maintain our current funding levels is greatly appreciated. No matter your financial status we need every family to fill out the application.

**How will this information be protected?**

All financial and student information is protected in the Meal Magic online submission and in locked files, as required by the state and federal government.

**What else might my student or household be eligible for?**

Based on the information you give on the FRL/Summer EBT application your student may qualify for these programs:

- ✓ Summer Food/EBT
- ✓ Pay to Play or Pay to Participate for athletics
- ✓ Programs that provide food support
- ✓ Rec & Ed scholarships
- ✓ Potential household support for cable and internet
