

Food Service Accounts for Adults

If you would like to set up a food service account to purchase food in the cafeteria at your school, please follow the step below.

The cashiers in the secondary schools and the leads in the elementary schools will have a form for you to fill out. It will include:

School/building

Full Name

Address

Phone number

Email address

Once we receive the form I will email your ID number to you.

We have changed our payment software from MyPaymentsPlus (MPP) to [SendMoneyToSchool.com](https://www.sendmoneymtoschool.com) Once you receive your ID number you can set up an account to pay on line. It is very similar to MPP.

If you had an account before Covid, that ID number will no longer work. We have access to those accounts if you think that you have a balance, please contact Wendy Brush at [734-994-2265](tel:734-994-2265) and she can transfer it.

There will be no charging allowed per Ann Arbor Public Schools. We look forward to serving you.
