#### 1. What is Pandemic Electronic Benefit Transfer (P-EBT)?

- P-EBT provides supplemental food assistance benefits to students who have temporarily lost access to free or reduced-price school meals due to the COVID-19 pandemic. The goal of the program is to make sure no student goes hungry by missing out on school meals.

#### 2. Does my student qualify for Pandemic Electronic Benefit Transfer (P-EBT)?

- Eligibility starts if the student was:

  - Enrolled to receive free or reduced lunch program meals at their school (including directly certified students and CEP schools) **AND**
  - Did not receive instruction in-person for some or all of the month **OR**
  - If fully in-person meals were not provided and eaten at school during the instruction day.

#### 3. Some school districts qualify for a Community Eligibility Provision (CEP) where all students are eligible for free meals, regardless of income. Are those students eligible for P-EBT?

- Students at a CEP school are eligible once the school building meets the 5-day threshold and the student receives reduced in-person instruction.

#### 4. Do Pre-K, Head Start, or Great Start Readiness Program students qualify for P-EBT?

**Benefits and Payment Information**

**1. How will I receive P-EBT benefits?**

## Card Questions

### 1. Will I receive a new P-EBT card if I previously had one?

- Yes. Past P-EBT cards will not be re-used. Remember, if your student now has active Food Assistance their P-EBT money will be loaded onto the family's Bridge Card.

### 2. I lost my card. How do I get a replacement?

- Contact a customer service representative toll-free at 888-678-8914. The toll-free Customer Service number is available 24 hours a day, 7 days a week for you to request a replacement card. Your replacement card will be mailed within 3 to 5 business days. You will not have to activate this card. The PIN you used on your old card will work with your new card. Once you order a replacement card, your old card will no longer work.

### 3. How do I activate my card?

- Call the number on the back of the card: 888-678-8914 and follow the prompts to activate a food stamp card. Use the birthdate of the student names on the card. Use "0000" (four zeroes) for the social security number.

### 4. How do I use my P-EBT card? What can I buy? Where can I use my P-EBT card?

- The P-EBT card is used the same way as a traditional EBT card or "Bridge Card". Please visit <https://www.fns.usda.gov/snap/eligible-food-items> for more information.

### 5. I received a card for a student that is not in my home. What should I do?

- Mark the envelop as "Not at this address" and return the card to the sender.

### 1. Can I have my card sent somewhere else?

- No. In situations where a card is being mailed, it will go to the students Medicaid address or the address the school provided.

### 2. Can cards be sent to PO Boxes?

- Yes.

### 3. I set up mail forwarding with the Post Office. Will I receive my P-EBT card?

You will need to contact the PEBT customer service call center and they will work with you to have a new card issued.

### 4. What should I do if I move to a new address?

- Immediately update your address at the school, and if your student has food assistance or Medicaid, with MDHHS.

### 5. Is there a deadline to update my address with the school?

- There is no deadline to update address information with local schools. Whenever there is a change in address your school should be notified.
