Network access information

With Blue Dental PPO Plus, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Dental Network of America (DNoA) Preferred Network of PPO dentists.

DNoA Preferred Network – Blue Dental members have unmatched access to PPO dentists through the DNoA Preferred Network, which offers nearly 200,000 dentist access points* nationwide. DNoA Preferred Network dentists agree to accept our approved amount as payment in full and participate on all claims. Members also receive discounts on noncovered services when they use PPO dentists. To find a DNoA Preferred Network dentist near you, please visit BCBSM.com/bluedental or call **1-888-826-8152**.

* A dentist access point is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two locations would be two access points.

Blue Par SelectSM arrangement – Most dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a "per claim" basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services – members pay only applicable copays and deductibles, along with any fees for noncovered services. To find a dentist who may participate with BCBSM, please visit BCBSM.com/bluedental.

Note: Members who go to nonparticipating dentists may be billed for any difference between our approved amount and the dentist's charge.
