Expectations for forumettes

- Participate in forum discussions, lessons, field days, NSAU days, and Multi-Ethnic feast.
- Attend all Forum Day activities and/or trips unless there is a valid conflict.
- Be respectful to other forum members and aid in the positive direction and environment of forum. This includes restricting all cell phone use except emergencies.
- Come to forum on time, and stay until we close as a group.
- Check-in with Danelle on Fridays.
- Fulfill 5 hours of community service per semester. Some community service will be fulfilled as a whole group and some will be left up to individuals to do on their own time.
- Take your turn to be part of the leadership within our forum. All of us will take turns helping to plan activities or events, being responsible for collecting money, setting the forum calendar, reading forum bulletin, being a forum buddy, organizing food for outings, and setting up and cleaning up after forum.

Cell Phones

No cell phones during the beginning of Forum time. We are going to focus completely on group circle. If your parent/guardian needs to get a message to you, please have them call the office. They can always be put through to my room.
Grading
Forum is a graded and important course at Community and all students who fulfill these expectations will earn an A in forum. Here is how your grade is weighted in forum:

- 80% Participation in forum activities, discussions, lessons and leadership. You obviously need to be in forum everyday on time for the whole time in order to participate fully.
- 20% Community service that you do inside or outside of our school. This should amount to five hours each semester.
