The overall goal is to help students focus on themselves and their happiness.
DECA	Craig Jobe jobec@aaps.k12.mi.us	C205 Mondays	DECA is organized around an ambitious goal: to improve education and career opportunities for students interested in careers in marketing, management and entrepreneurship.

Eagles Ethics Bowl Team (Name to change later)	Chelsea Birchmeier birchmeierc@aaps.k12.mi.us	C402 Tuesday (season runs Oct.- Feb with post season possibility in March)	The goal of the club is to challenge students to think ethically and use differing perspectives to address real-world problems. Essentially, the team looks at case studies through a philosophical lens. Each case study presents ethical dilemmas. The team works together to curate the most ethical response to the case study and they are judged based off their response. They compete against the responses from the other teams and are judged on set criteria. This is different than the debate format. After states (which are held in Ann Arbor), the winners go on to compete at a national level.
Economics Club	Sarah Hechler hechlers@aaps.k12.mi.us	C302 Tuesday	To compete in the National Fed Challenge, a federal reserve competition in Chicago, where students present a plan on the long term outlook of the US economy.
