

Club/Organization	Staff Advisors	Room/ Day(s)/ Time	Description of Club
Active Engineering	William Campbell campbellw@aaps.k12.mi.us	B210 Thursdays	Extra time for students, either in DTEP or that don't have time for DTEP but would like to be in it, to be able to work on engineering projects and learn some of the basics of engineering such as CAD or coding.
Aerospace Club for Engineering and Science(ACES)	David Greene greened@aaps.k12.mi.us	C317 Tuesdays	Here at Skyline High School, we want to be able to cultivate a passion for all things science & engineering. placing a particular emphasis on space science. With the program we are connected to at UofM, we'll be able to introduce students to real scientific research and play a part in projects involving advanced aerospace tech.
Anime Club	Keith Furry furryk@aaps.k12.mi.us	B429 Fridays	To enjoy Japanese anime and manga and share Japanese pop culture.
Art Club/Open Studio Open Mind	Candace O'Leary olearyc@aaps.k12.mi.us	A218/A221 Tuesdays/ Thursdays	To provide an open minded studio space for students seeking a creative outlet. They do not need to have an art class in their schedule to join. They are also welcome to come and just explore a range of processes and materials while engaging in progressive, art minded discussions. Students will also be encouraged to bring in personal supplies to get one on one support. Additionally, we will engage in meaningful conversations, such as discussing art and politics, and current showings in museums and galleries both locally and around the world.
Asian American Youth(AAY)	Annie Blais blaisa@aaps.k12.mi.us	A408 Tuesdays (Our goal is to help families and individuals who are struggling during this pandemic and in general during

	Young Park park@aaps.k12.mi.us	every other)	this very difficult time. We want to create a club that focuses on giving back to the community through activities like can/bottle drives, clothes drives, etc. It will help students get involved with community service in a safe way and allow students to communicate with one another about important issues as well.
ASL Club	TBD	A308 Tuesdays	To provide a space for students in different levels to collaborate, learn new signs regardless of skill level and to provide access to ASL learning to students who may not be able to take the class.
Biology Club	Gabriel Rettaliata rettaliatag@aaps.k12.mi.us	B401 Thursdays	The purpose of this club is for students to learn new things, conduct exciting experiments, receive academic support and exciting other opportunities related to biology.
Black Student Union	Lakesha Barton bartonl@aaps.k12.mi.us	C417 Tuesdays	Stimulate research and discussions on issues affecting African Americans and other ethnic groups at Skyline. Support academic achievement. Encourage equity in the Skyline community
Board Game/Card Game Club	Dennis Brunzell brunzelld@aaps.k12.mi.us Nicholas Bertson bertsonn@aaps.k12.mi.us	C405 Mondays	To bring students together to build relationships, practice ethics and engage in thought-provoking activities that require puzzle-solving skills and high-level thinking strategies.
Business Professionals of America	Sangeetha Janakiraman janakiramans@aaps.k12.mi.us	C205 Thursdays(every 2 weeks)	BPA is dedicated to helping students understand their business knowledge. BPA also allows students to compete at state and national competitions. In BPA, students are able to develop leadership skills, experience professional events and much more.

Chemistry Club	Michael Jones jonesm@aaps.k12.mi.us	B301 Mondays	Skyline Chemistry Club creates a space where students can receive academic support in chemistry topics, learn new things, conduct exciting lab experiments and prepare for the USNCO exam.
Chess Club	Jeff Oleksinski oleksins@aaps.k12.mi.us	C310 Tuesdays	Play Chess, compete, learn and interact.
Coding Club	Joe Burgireno burgirenoj@aaps.k12.mi.us	B330 Wednesdays	Attend hackathons and programming competitions. Practice for said competitions.
Crew (Club Sport)	Kit Bennett kit.d.bennett@gmail.com	Check Athletic Office	Classic Club Sport
DECA	Craig Jobe jobec@aaps.k12.mi.us Robert Shannon shannonr@aaps.k12.mi.us	C205 Tuesdays(every other)	DECA is organized around an ambitious goal: to improve education and career opportunities for students interested in careers in marketing, management and entrepreneurship.
Eagles Ethics Club	Gabriel Rettaliata rettaliatag@aaps.k12.mi.us	B401 Mondays(season runs Oct.- Feb with post season possibility in March)	The goal of the club is to challenge students to think ethically and use differing perspectives to address real-world problems. Essentially, the team looks at case studies through a philosophical lens. Each case study presents ethical dilemmas. The team works together to curate the most ethical response to the case study and they are judged based on their response. They compete against the responses from the other teams and are judged on set criteria. This is different from the debate format. After states (which are held in Ann Arbor), the winners go on to compete at a national level.

Economics and Stock Club	Catrina Vaughn vaughnc@aaps.k12.mi.us	C304 Thursdays	To teach people about economics and the stock market. And to participate in competitions for economics and investing.
Electrical Engineering Club	Christopher Naar naarc@aaps.k12.mi.us	A306 Tuesdays	The purpose of the Electrical Engineering Club is to create an environment where makers interested in creating projects that utilize electrical engineering and coding can collaborate, practice their skills, and increase their knowledge of related topics.
ELL Club	Jennifer Brose brosej@aaps.k12.mi.us	C306 Tuesdays	Helping English Language Learners practice their English through games and fun activities.
Environmental Sustainability Club	Casey Warner warnerc@aaps.k12.mi.us	C412 Thursdays	The Environmental Sustainability Club advances sustainability throughout Skyline High School and the Ann Arbor community through education, volunteering and outreach. Recently, our club has planted 6 native Michigan red oak trees on Skyline's campus, organized a battery drive, held a 'Green Week' with SAS, and more. We are excited to continue making Skyline and beyond more sustainable!
Equestrian Team (Club Sport)	Julie Fleming judgejulie33@aol.com	Outside Skyline TBA	Contact Coach Fleming for more information.
Faith Club	Diane Sastre sastre@aaps.k12.mi.us	C407 Thursdays	The purpose of this club, joined with the Huron and Pioneer's Christian Clubs, is to provide an affinity-group-like space for Christian students at Skyline while also building up our Skyline Community and Ann Arbor Community through service projects.

French Club	Laura Davis davisla@aaps.k12.mi.us	A307 Thursdays	Skyline French Club will get students involved with French culture, foods, other french students around the world, and more.
Future Leaders of Stem- FLOS	Casey Warner warnerc@aapsk12.mi.us	C410 Tuesdays	Through hands-on STEM experiments and design challenges, we hope to demonstrate the importance of STEM in solving modern day issues and inspire the younger generation to make a change.
Game Development Club	Jeff Oleksinski oleksins@aaps.k12.mi.us	C310 Thursdays	Learning and developing games that we can hopefully release on things like the Google Play store.
Garden Club	Tracy Mathewson mathewson@mathewson@aaps.k12.mi.us	A312 Select Mondays	Create a space where Skyline students can come together, talk about plants and work in a garden.
GIDAS(Genes in Diseases and Symptoms)	Jeff Oleksinski oleksins@aaps.k12.mi.us	C310 Fridays	To connect science to the public through high school students. We learn about the developing field of computational biology, research and educate others on genetics and genetic disease, volunteer and fundraise for micro-research grants, and connect the general public with the science that matters to them.
Girls Group	TBD	B429 Mondays	Girls Group mentors and participants create a positive, affirming atmosphere where young women work towards their goals of achievement and economic independence. Girls Group helps young women to find their voice, define their goals and dreams, and establish support networks to move forward in the world with pride and self-confidence.
Girls Who Code	Joe Burgireno burgirenoj@aaps.k12.mi.us	B330 Wednesdays	To close the gender gap in technology and to change the image of what a programmer looks like and does.

Gender, Sexuality and Romanticality Alliance (GSRA)	Shelby Eaton eatons@aaps.k12.mi.us Cate McCraw mccrawc@aaps.k12.mi.us	B308 Tuesdays	To support all LGBTQ students and Allies at Skyline.
Health Occupations for Students of America-HOSA	Dusti Vincent vincentd@aaps.k12.mi.us	B410 Wednesdays (every other)	To allow students to be actively engaged in the healthcare field through participation in competitive events, informational conferences and discussions with other students and professionals in these interests. This promotes problem solving, organization and teamwork ability, which are all valuable skills that will be necessary for the future success of our generation.
Interact	Corey Nowitzke nowitzke@aaps.k12.mi.us	C305 Fridays	A club dedicated to raising money and helping their community sponsored by the Rotary Club. It gives teenagers the opportunity to service people in need and to step up and become a community leader.
International Thespian Society Troupe 7400	Anne-Marie Roberts robertsa@aaps.k12.mi.us	Experimental Theatre Tuesdays	The International Thespian Society (ITS) is the Educational Theatre Association's student honorary organization. ITS recognizes the achievements of high school and middle school theater students. Since 1929, EdTA has inducted more than 2 million Thespians into ITS.
Jazz Club	Jason Smith smithja@aaps.k12.mi.us	C116 Fridays(before football games)	Rehearse jazz assignments, study the history of jazz and the jazz greats.
Kiwanis Key Club	Kathy MacKercher mackerck@a2schools.org	Thursdays(2:55-3:15)	Kiwanis Key Club gives students hands-on opportunities to help children and families in the Washtenaw County community. We will work

			together to identify projects and ways we can assist the local Kiwanis Club.
Knitting and Crochet Club	Sarah Suchanek suchaneks@aaps.k12.mi.us	C402 Thursdays(until 4:30)	To allow students with no or some experience, a place to do their hobbies around others. And to give those who want to learn to knit or crochet a place to learn.
Link Crew	Nicholas Bertson bertsonn@aaps.k12.mi.us Lauren Van Nortwick vannortwickl@aaps.k12.mi.us	Varies	Link Crew is a group of upperclassmen who went through an application process to become LC Leaders, their job is to help guide and mentor freshmen.
Mandarin Language Practice Club	Pingping Liu liu@aaps.k12.mi.us	A406 Mondays	This club is for students at Skyline taking Mandarin who would like to have a place to practice Chinese skills and do their Chinese homework with other students. It is also a great place for those not enrolled in Chinese but want to keep up their language skills. Beginning to advanced students are welcome!
Mandolin Club	Andrea Murray murraya@aaps.k12.mi.us	C110 Thursdays	Create a cohesive group of beginners and advanced mandolinists and play together in an orchestrated context. Some sessions would be more individualistic while others would have members working together on group pieces.
Marketing Club	Scott Sprow sprows@aaps.k12.mi.us	B327 Fridays	To improve the skills of young marketers.
Middle Eastern Student Association (MESA)	Lisa Phillips phillipsl1@aaps.k12.mi.us	A407 Fridays(3:00-3:30)	To promote and celebrate the rich & diverse culture of the Middle East. We aim to create a welcoming and inclusive environment for students of all backgrounds to learn about and appreciate the history and traditions of the Middle East. Ultimately, our goal is

			to promote understanding, respect and appreciation of Middle Eastern culture among the campus community and beyond.
Mock Trial Team	Ross Dunbar dunbarr@aaps.k12.mi.us	B306 Wednesdays	To prepare for the National Mock Trial competition and to learn about the US legal system for prosecutors and defendants.
Multicultural Club	Lisa Phillips phillips11@aaps.k12.mi.us	Wednesdays	To learn about different cultures (food, TV shows, language, etc.) while cultivating a safe space for diverse opinions and meeting new people within the Skyline community. It's also a great place to reduce stress levels and relax!
Nap Time Ninjas	Young Park park@aaps.k12.mi.us	C309 Mondays	We make tie-knot fleece blankets and donate them to homeless shelters, animal shelters and hospitals. Come join the fun!
NHS (National Honor Society)	Tiffany Kincaid kincaidt@aaps.k12.mi.us Liza Dedvukaj dedvukajl@aaps.k12.mi.us	Auditorium 1 x per trimester	NHS is a student organization in which the members display and practice daily the 4 pillars of leadership, service, character, and scholarship.
Neurodiversity Club	Shelby Eaton eatons@aaps.k12.mi.us	C411 Thursdays	Provide a safe space for neurodivergent students to socialize with each other. Inform neurodivergent students of various ways they can get support, including information on diagnostic and accommodations processes. Advocate to teachers and admin on behalf of neurodivergent students as a coalition. Inform teachers and neurotypical students of neurodivergence. Support neurodivergent students in all areas, with techniques specific to neurodivergence.

NOW (National Organization of Women)	Brittany Ray rayb@aaps.k12.mi.us	A306 Wednesdays	A club that advocates and fundraises from Women and Human rights.
Orchestra Council	Andrea Murray murraya@aaps.k12.mi.us	C110 Thursdays	To help plan and implement social activities for the Skyline Orchestras and to assist with administration tasks for the Skyline Orchestras.
Positivity Club	Alaina Feliks feliksa@aaps.k12.mi.us	C304 Fridays	Spreading positivity at Skyline! Our initial goal is to have the club members talk to a new person each day.
Practice Club	Andrea Murray murraya@aaps.k12.mi.us	C110 Wednesdays	Music kids can come to practice anything they want alone or be mentored by another musician. Also chamber groups can practice and talk about their music.
Puzzle Club	Jeff Oleksinski oleksins@aaps.k12.mi.us	C310 Fridays	This club would be for students to be able to challenge themselves and work their brains to solve puzzles with varying complexity. We can also teach people how to solve different types of puzzles. This teaches resilience.
Quiz Bowl	TBD	A402 Mondays	Quiz bowl club is a fast-paced buzzer competition in which teams compete to answer questions that cover a wide variety of academic subjects like literature and science as well as the broader world of popular culture and current events. This club is open to all students who love trivia!
Red Cross Club	Kristin Mahler mahlerk@aaps.k12.mi.us	Library Fridays	Club will plan and coordinate a minimum of three Red Cross mission-related service projects per year. The service projects will focus on blood, fundraising, education and preparedness, International Humanitarian Law, and social engagement.
Robotics	Laura Schaffer schafferl@aaps.k12.mi.us	Forsythe Shop Various	Develop skills in engineering, shop tools, control systems, programming, marketing/media, project

			planning, and leadership. Compete in the annual the FIRST Robotics competition.
SAS (Student Action Senate)	Anne Bezeau bezeaua@aaps.k12.mi.us	C206 Tuesdays	Student government, SLC Officers, Delegates represent Skytimes, Committees: Activism, Spirit, Teaching & Learning. SHS Student events.
Science Bowl	David Greene greened@aaps.k12.mi.us	C317 Thursdays	Fast-paced buzzer academic competition in which high school students are tested in a variety of sciences (biology, chemistry, earth science, physics, energy and math. The science bowl team/club practices in order to compete in the science bowl competition and engages its members into further inquiry of high school sciences.
Ski Club	Jeff Oleksinski oleksins@aaps.k12.mi.us	C310 Thursdays	To get people together that enjoy skiing and to organize trips that we can go on together.
SkyMun	Kathy MacKercher mackerck@aaps.k12.mi.us	C406 Thursdays	Roleplay delegates to the UN and simulate committees. Forster global citizenship and hone skills in diplomacy, negotiation and writing.
Skyline B4P Club	David Greene greened@aaps.k12.mi.us	C317 Wednesdays(every other)	A high school chapter of the student lead non-profit organization headquartered at University of Michigan. We raise funds and volunteer at the university to reduce health disparities throughout the globe by reallocating surplus medical supplies from the United States to communities in need. As well as that, we are looking forward to bringing in some guest lecturers to speak about the healthcare field.
Skyline Book Club	Jeff Oleksinski oleksins@aaps.k12.mi.us	C311 Fridays	Gather together with peers to decide on a book to read and discuss together. Explore different types of

			literature and topics to promote engaged conversation and new perspectives!
Skyline Current Events	Carolyn Hill hillc@aaps.k12.mi.us	Library Tuesdays	We discuss and keep our club members updated on environmental, economical and political issues worldwide. We will be voting on an issue to support and how to help after the first few weeks of school.
Skyline High School Theatre	Anne Marie Roberts robertsa@aaps.k12.mi.us	C204, Auditorium Scene Shop Tuesdays	Play production - all aspects, competition: We do awesome Theatre!
Skyline Math Club	Jeff Oleksinski oleksins@aaps.k12.mi.us	C310 TBA	Interested in problem solving and real-world applications of math? Or a refreshing take on the subject? Math Club is for you! We take a new approach on math that focuses on creative problem solving and uses in the real world. You will also have the chance to participate in several math competitions with your friends!
The Skyline Post	Annie Blais blaisa@aaps.k12.mi.us	C308 Mondays Virtually- Wednesdays	The online newspaper for Skyline. We present topics interesting to students.
Skyline Republican Club	Janet Sherman shermanj@aaps.k12.mi.us	A311 Tuesdays	To provide a place for Skyline Republicans to discuss current issues, support candidates and grow as a group.
Skyline Speech and Debate	Laura Sparrow sparrowl@aaps.k12.mi.us Christopher Cole colec@aaps.k12.mi.us	A305 Fridays	During practice times we select and prepare materials for speech competitions, where we compete against schools from all over the state of Michigan. A few of those are Greenhills, WIHI, Detroit Country Day, Father Gabriel Richard, Bloomfield Hills, and so on.

			This does a great job preparing kids to think on their feet and problem-solve with grace and strength-- no matter what kind of situation arises-- for the rest of their lives. Almost all jobs and careers benefit from speech experience, and for the past eight years Skyline has had a strong record, even on the state level.
Skyline Student Equity Team	TBD	A404 Thursdays	The goal of this group is to recognize and address inequity in all forms at Skyline.
Skysquad	Heather Schimmel schimmel@aaps.k12.mi.us Charissa Bass brownbassc@aaps.k12.mi.us		Implement restorative practices in Skyline.
SkyWell	Dusti Vincent vincentd@aaps.k12.mi.us	B408 Mondays	Learn, reflect and act on positive health behaviors
Songwriting Club	Lyn CieChanski ciechanl@aaps.k12.mi.us	C104/C134 Wednesdays	This club will teach students tools to mix and release music, create promotion materials, build an audience and other music business fundamentals. In addition, it will establish a community for musicians and songwriters to learn, create, apply skills and receive feedback.
Student Athlete Mental Health Awareness Club(SAMHA)	Christopher Cole colec@aaps.k12.mi.us	C302 Thursdays(2x a Month)	To help athletes confront mental health in sports both on and off the field. Talk about expectations, pressure, injury and everything else that goes into the mental side of sports.
Sweets & Studies	Chad Bickel bickelc@aaps.k12.mi.us	C409 Thursdays	This club will revolve around students working on their studies/assignments each week, with students chatting and helping each other as they get work done in a cozy atmosphere. We will bring in sweet treats

			each week based on weekly polls from our club members. Anyone are welcome.
Tri M (music honor society)	Andrea Murray muraya@aaps.k12.mi.us	C110 Thursdays(2nd of each month) 7pm	Tri-M is a student organization in which the members display and practice daily the 4 pillars of leadership, service, character, and scholarship through their service to music and others.
Ukulele Club	Nicholas Bertson bertsonn@aaps.k12.mi.us	A310 Tuesdays	To learn how to play the ukulele and play songs together.
Video Game Club	Christina Postema postema@aaps.k12.mi.us	A412 Mondays	Focused on providing a chill space for Skyline students to play video games, meet like-minded individuals with interests in the same games and hone their skills like problem solving, communication, critical thinking and more.
WISE-Women In Science and Engineering	Casey Warner warnerc@aaps.k12.mi.us	C412 Mondays	To provide women with a safe, encouraging space to pursue a career in the sciences and outreach to younger girls to empower them to emerge as leaders in STEM.
Women in Medicine Club	Dusti Vincent vincentd@aaps.k12.mi.us	B410 Thursdays(3:00-3:30)	To educate and advocate for women to receive equal treatment to their male counterparts in the healthcare system from both doctor and patient perspectives.
Women in Sports Club	Mike Lovelace lovelace@aaps.k12.mi.us Alison LeCloux	A302 Tuesdays/Thursdays(every other week)	We want to recognize how hard women in sports work and want to give them their recognition. We want to empower other girls to join sports and give them the support and confidence they need. We will cover all sports. Everyone is welcome.
Writing Center Afterschool	Alaina Feliks feliksa@aaps.k12.mi.us	B429 Thursdays	To support students who want to come to the writing center but don't have the time due to their busy schedules. WC tutors will be available to help.

Yak Unified	Linda Hart hartl@aaps.k12.mi.us	C315 Mondays	An afterschool program that creates opportunities for one to one friendships and leadership development for people with IDD (Intellectual Development Disorders)
-------------	--	-----------------	--
