

Greetings,

Welcome to Johnny's Class! I am very excited to have your family in Room 239. I look forward to another great year building an exceptional classroom community. We will spend our time together the first week strengthening our classroom bond through many prolific activities. Our returning students will be instrumental in familiarizing our new students to our classroom structure, and procedures.

\* The first day of School is Tuesday, September 4!

\*Please provide after school pick up plans for your children, including bus numbers, siblings and school community members who will aid in the after school pick up plans.

\*Let me know immediately about any food allergies or health concerns you have regarding your child.

\*It would also be helpful if you could send in a healthy snack for our classroom the first week. Eventually we will have a snack sign up list.

\*We will have a class email list for important classroom communication. When that is finalized in Power School it will be sent out.

\*Feel free to contact me anytime with questions or concerns.

[macphailj@aaps.k12.mi.us](mailto:macphailj@aaps.k12.mi.us)

\*You may also call the school to reach me immediately. 994.1910

Stop in to say hello or hang out when you are available!

I look forward to a productive, creative school year.

Cheers!

Johnny
