

Huron High School PTSO Dues

The Huron Parent Teacher Student Organization (PTSO) provides a wide array of support for the Huron community, including the following activities and programs:

- Provide Academic Grants to teachers, to cover the costs of classroom materials and programs that enhance learning but are not covered by the school district.
- Communicate via E-notes, website, and other means with parents, staff, and students.
- Fund school improvements, including landscaping, clean-up activities, and capital purchases.
- Operate Huron’s Spirit Shop, which sells spirit items (t-shirts, sweatshirts, car decals, etc) as well as healthier snacks and beverages daily during lunch.
- Recruit and organize volunteers to facilitate the smooth running of registration, parent/teacher conferences, and many other related staff and student activities.
- Remain up to date with issues that arise in classes and the school as a whole, and help plan student activities.
- Support and coordinate appreciation events for the Huron staff.
- Provide the annual Senior All Night Graduation Party.

Our Huron PTSO relies on contributions to ensure continuation of these important services. Your support means that many of these programs are allowed to flourish. Your financial support helps make PTSO programs a success and sends a powerful message of caring to your children.
