The Ann Arbor Public Schools Superintendent of Schools, Dr. Jeanice Swift, is hosting a series of community meetings over the coming weeks to share information about the 2019 Bond Proposal.

These meetings are open to the public and a chance to learn about the goals of the 2019 Bond, how the plan was developed, and what the financial impact will be if voters approve the measure on November 5<sup>th</sup>.

These community events hosted by the Superintendent are in addition to Bond informational meetings held in every school, as well as a variety of other community outreach events.
