

Meet Your Teacher...

Ms. Blake!

My name is Meredith Blake and I have the pleasure of being your child's 2nd grade teacher this year at Bryant. I look forward to a year filled with fun, learning and exploration.

My goal as a teacher is to build a safe classroom environment, encourage creativity, and instill a love for learning at a young age. I value forming strong relationships with the families in my classroom and working together to ensure all students achieve success.

This is my sixth year teaching grades Y5-2nd and my second year teaching at Bryant. I earned my Bachelor's degree in education from Miami University in Ohio and will be starting a Master's program in reading this Fall. I taught for 3 years in Chicago, my hometown, and I currently live in Ann Arbor with my fiancé, Jake, and our Labrador Retriever puppy, Blue. When I'm not teaching, I enjoy running, reading, playing cards, and cooking!

I can't wait to start our year together and get to know you and your child!
