Not able to make your registration date/time?

We understand that some families will not be able to make their registration date/time. We offer a make-up registration date as we understand that band camp and other activities will conflict with these registration dates. If you are not able to come to make-up registration, don't worry! We will happily register your student on the first day of school! Several students have done this every year so please don't worry about your student missing out on anything! You will be able to check your students schedule in PowerSchool and your student can get a photo/ID during our picture make up day (TBD).

Semester 2 Grades

Semester 2 grades will post and be visible to students and families by Friday, 6/18/21. Students and families can view grades/report cards in PowerSchool and may request final transcripts at that time to be sent to colleges as needed.

Capsule Night (Open House) 2021 – Tuesday, 9/14/2021 @ 6:00pm

Please join us for Skyline's Capsule Night 2021 on Tuesday, September 14th from 6-8:30pm. The Skyline music department will conduct a welcoming performances. The evening will formally begin at 6:00 pm, in the auditorium, with a presentation by Skyline Administration followed by an opportunity to follow your student's schedule and hear from the teachers in each of your student's classes. Mark your calendars now so you can be sure to join us next fall!
