

Heron Happenings

Issue #1

A Heron's A Heron, No Matter How Small

Sept. 2021

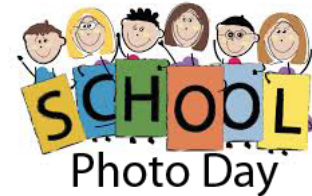

Thurston Herons,

It is with extreme excitement that we introduce you to our monthly school newsletter!! We will share this document on the 1st Sunday of every month. Our hope is that while we can't see one another, we will still have the opportunity to connect with what's going throughout the month. In addition, this will be the place where you can find support and upcoming school/district information. While we DO NOT want to burden you with one more thing, we also don't want you to feel alone and out of the loop. We hope this resource will lend a universal "hand" in keeping us all together and connected.

Curriculum Night is September 14, 2021

5:35-6:00 p.m.	Preschool & 2nd grade Teacher Presentations
6:00-6:05 p.m.	Building/PTO Based Presentation(5min)
