Thurston Elementary PTO

Dear Thurston Community,

The spring is such a busy time for all of us with many extracurricular activities and events in addition to work and school schedules and at least for me, it is easy to overlook some of the things going on with the district and our Board of Education. I would like to encourage you to take a moment out of your busy day to look through the slides from the May 15th Board of Education meeting linked here:

By staying informed, we can prepare ourselves to have meaningful conversations and communication with other members of our community and be able to better understand the changes that are being made that may impact our children. If you would like to contact the AAPS Board of Education, their email addresses are provided below. Thank you and I hope you have a nice weekend!
