Summer 2024 Gardening at Thurston

My name is Kelly Gilbert and I am the 2024 Garden Captain here at Thurston. There are 13 raised beds in the community garden for families to rent for \$10 each, with all proceeds going to the Thurston PTO. Gardening can begin on the last day of school with plots available to anyone in the community. There is no school affiliation required, so please feel free to pass this information along to friends and neighbors who may be interested. The garden plots are yours to be creative with! In the past families have grown a variety of fruits, vegetables and flowers to enjoy throughout the summer. In the late fall, all garden beds must be cleaned out and composted in preparation for colder weather. With the summer being such a busy time, families have created a shared watering schedule to make tending to your plot a little easier. If you're interested in a plot for the summer or have questions, please feel free to email me at gilberke@umich.edu. I look forward to seeing you in the garden this summer!

Kelly Gilbert
