Thurston Teachers are Terrific!

Dear Thurston Teachers and Families,

During Teacher Appreciation Week, we want to make it clear just how much our teachers are appreciated. Every student at Thurston benefits from the kindness and professionalism of the extraordinary team of teachers at Thurston. As parents, we understand that teachers face a set of unique and unpredictable challenges working with our elementary age kids and there are no words to adequately express our gratitude! Thurston's teachers work with dozens or even hundreds of students every day, but to our children, there is only one **YOU!** Please know that the work that you do every day will literally have a lifelong impact on every single student at the school. We are proud to be [Thurston Herons](#) and thrilled to have you in our lives!

Parents, if you have not had a chance to thank your student's classroom or special area teacher yet this week, please take a moment to do so. You can send a note, card, email, or small gift to your child's teacher. Here is a list of teachers at Thurston that may work with your child, in addition to your classroom teacher:
