

# Secondary In-School Hybrid Learning

# COVID Infections in Michigan Schools

Data retrieved from Mlive and Michigan.gov  
Updated as of [March 4, 2021](#)

## *The majority of K-12 cases are among middle schools and high schools*

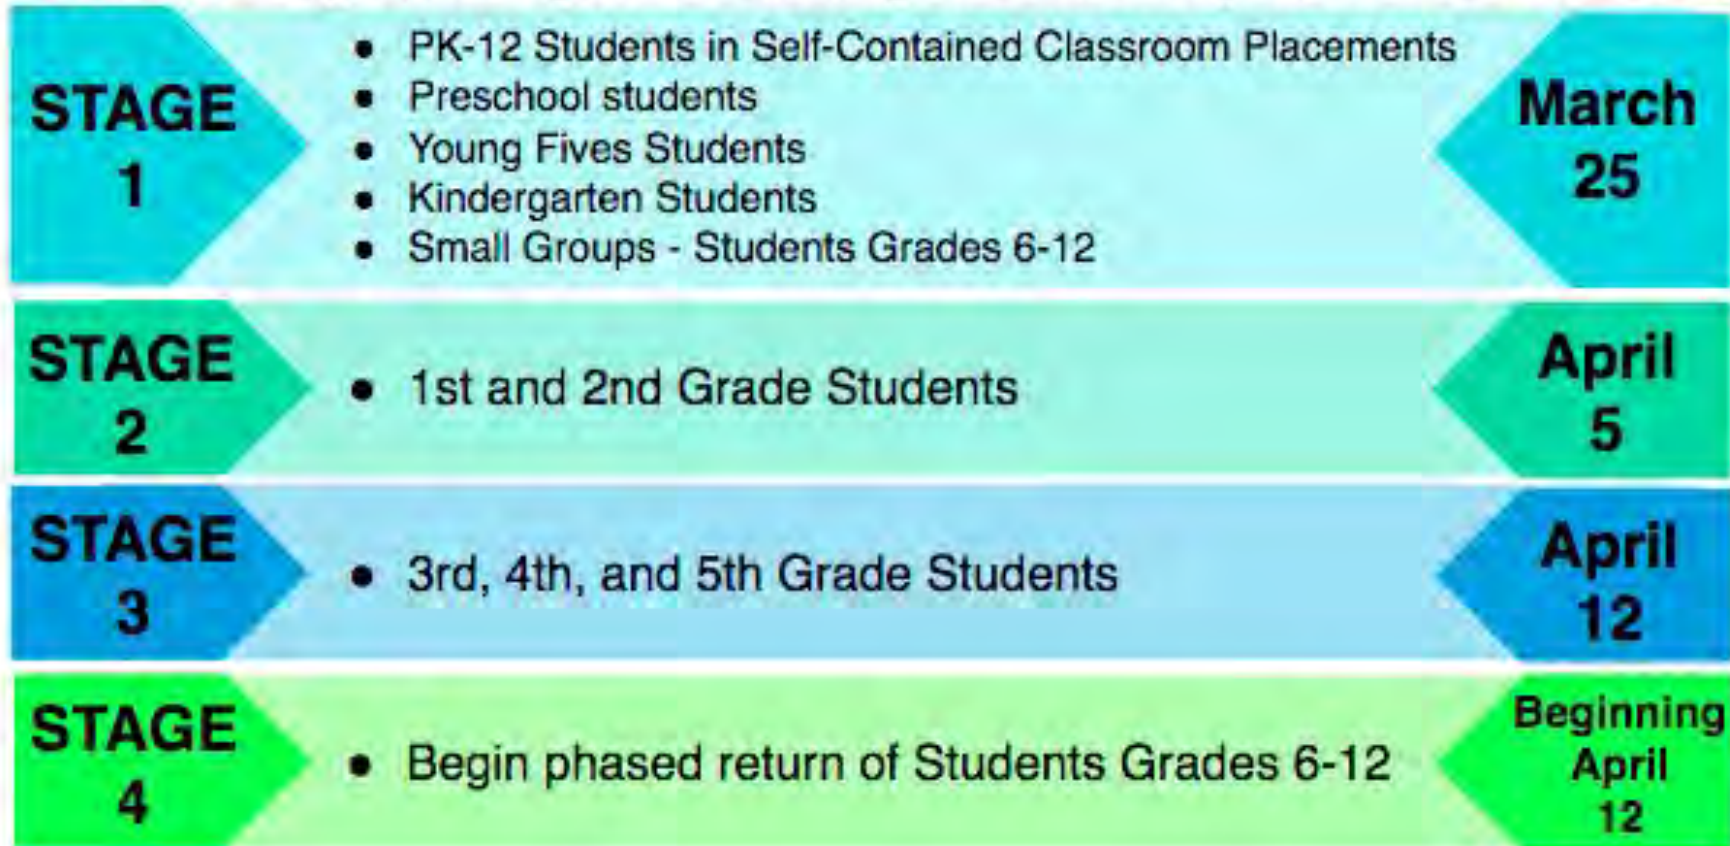

### **MICHIGAN SCHOOL-RELATED OUTBREAKS March 8, 2021 Report:**

- **226** staff and students infected in 47 K-12 schools - **new** outbreaks during previous week
- **675** staff and students infected in 74 PK-12 **ongoing** school outbreaks
- **7,560** total cumulative cases in schools as a result of ongoing infections
- Outbreak data for K-12 schools includes only cases in which the student or staff was infected at school or at a school-related function.

# Stages for In Person Hybrid Learning

AAPS will begin phasing in the following students for hybrid instruction, as follows:

# Family Choice

AAPS families will always have the **option to remain fully virtual**.

Students who remain fully virtual will continue to receive **daily instruction remotely in much the same way they are currently experiencing**. Some changes are to be expected as teachers work with students in person and those online.

Safety remains the critical priority in the return to in-person **learning**. In order to ensure that appropriate **safety protocols and training are in place** and to ensure that **each and every classroom is appropriately distanced and balanced**, families will **make a choice in advance of the transition to hybrid learning**.

# In-Person Hybrid Learning Information Webinars Grades 6-12

**AAPS secondary families will receive a survey** to share their plans for their child's instruction, in-person hybrid or to remain remote.

Secondary families can expect to receive the survey in the coming days.

To assist with making a choice, families will be invited to attend **virtual school-specific information sessions** to ensure that our families are prepared to make decisions about their educational plans.

# Family Responsibilities

## *In-Person Hybrid Learning Option*

- **Screen your student** for symptoms each morning before sending them to school. A District screening questionnaire will be provided.
- **Keep your student home** when they are exhibiting symptoms.
- **Immediately notify** your building principal if your student or someone in the household tests positive for COVID-19. **Speak with a district contact tracer** if needed for an investigation.
- Ensure your student has a **mask and water bottle** every day. Masks will be provided to those who do not have one.
- **Be available** to pick your student up from school should they begin to show symptoms while at school.
- **Be patient** and know that hybrid plans may change from day to day to better meet the needs of our students.
- Understand that **students or staff may need to quarantine** if there is a classroom case.

# Student Responsibilities

## *In-Person Hybrid Learning Option*

- **Wear a mask at all times**, except when eating or drinking.
  - Note: Students who are unable to remove a mask independently must not wear one. For all other students, rare exceptions can be made with a doctor's note for a valid medical reason. Care and patience will be exercised for students with special needs.
- **Bring a personal water bottle** daily. (AAPS will support this, if needed).
- **Follow the safety protocols to stay physically distanced** from others.
- **Monitor health status** and report symptoms immediately to an adult.

# Cohorts

Students will be assigned to a cohort based on first letter of last name.

	LAST NAME	IN-PERSON DAYS
Cohort 1	A-L	Monday and Tuesday
Cohort 2	M-Z	Thursday and Friday

When not attending in-person, students will attend school virtually. **Wednesdays remain remote learning days for all students.**

Based on school populations, cohorts may be adjusted to accomplish balance. For example, an individual building may be cohorted A-M and N-Z.

We will ensure that families in the same household remain in the same cohort.

# Middle School Hybrid Schedule

Start	End	Monday	Tuesday	Thursday	Friday
8:20	8:40	Advisory Homebase	Advisory Homebase	Advisory Homebase	Advisory Homebase
8:50	9:50	Block 1	Block 4	Block 1	Block 4
10:00	11:00	Block 2	Block 5	Block 2	Block 5
11:10	12:10	Block 3	Block 6	Block 3	Block 6
