The mission of Pioneer High School is to prepare every student to be successful in college or at a career through rigorous study and social development.

-Adopted 2011
I have come to a frightening conclusion
that I am the decisive element
in the classroom.

It’s my personal approach that
creates the climate.

It’s my daily mood that makes the weather.

As a teacher, I possess a tremendous power to make a
child’s life miserable or joyous.

I can be a tool of torture
or an instrument of inspiration.

I can humiliate or humor, hurt or heal.

In all situations, it is my response
that decides whether a crisis will be escalated or de-
escalated and a child humanized or dehumanized.
