Welcome to Rec & Ed's 2018 Summer Camp Catalog!

One of my favorite things about visiting summer camps is asking children which school they attend. Campers proudly tell me about their schools and their teachers. Every time, I'm impressed by how many Ann Arbor neighborhoods -- from the northwest to the southeast and everywhere in between -- are represented in a Rec & Ed camp.

Without a doubt, our camps are places where children form friendships. This year, our camp counselors and volunteers will do even more to intentionally build community in Rec & Ed camps. With training and other resources from the Weikert Center for Youth Program Quality, camp staff will provide welcoming environments, lead community building activities, and use discussion at the end of the day to reinforce connections and concepts.

Through our community building and other social emotional skill support, our goal is for every camper to feel at home at camp, whether or not he or she knows anyone on the first day. We genuinely hope that your child’s experience at camp this summer creates a lifetime of memories.

Parents, please take note of other new camps and improvements! This summer,…

- All of Rec & Ed’s art, science, and academic camps are capped at 24 children and divided into age-appropriate groups
- There’s magic and learning in our NEW Science, S.T.E.A.M., Reading and Writing Camps
- Campers can taste adventure in our NEW Cooking and Baking camps
- Sports camps range from baseball to soccer to volleyball, including swimming every day with KidSport and A2Sports
- Preschoolers can grow and learn in NEW Sports and S.T.E.A.M. camps — and there’s the favorite summer educational program Safety Town

Be sure to flip to the center of this catalog. You’ll see our NEW “Camps At-A-Glance” pull out section with all of our camp offerings in an easy week-by-week format.

We encourage and welcome your feedback. Give us your take on Rec & Ed summer camps by emailing your thoughts, opinions, ideas or requests to: whatsyoutake@aaps.k12.mi.us.

See you at summer camp!

ISSUE NO. 59, SUMMER CAMPS 2018 | Rec & Ed, the Ann Arbor Public Schools Community Education and Recreation Catalog, is published five times a year in Ann Arbor, MI. Our mission is to enhance the quality of life for our community through education and recreation.
Safety Town is one of Rec & Ed’s most popular summer educational programs!

For Incoming Young 5’s, Kindergarten or First Graders. Your child learns safety awareness in a fun and entertaining way using a child-sized mock Ann Arbor “town” explored on bikes. Kids learn how to evaluate safe from unsafe when confronted with potentially dangerous situations.

Guest speakers include:
- police officers,
- firefighters,
- water safety specialists, and
- “Buster the Bus,” AAPS’ own talking school bus.

Songs, games, stories and art projects reinforce the lessons about:
- Bike and vehicle safety
- Fire and electricity safety
- Riding a school bus
- Water and pedestrian safety
- And more!

Safety Town is even more fun with Fall 2018 classmates.
We try to place children with others attending their school. This gives them a chance to meet students from their class before school begins this fall. We also make every effort to place students with friends as long as a special request is included when you register.

• NEW: online registration includes all emergency information and permissions.
• Will your child benefit from extra support? Let us know so everyone succeeds! There’s a Special Needs Planning form to fill out.
• All participants receive a t-shirt and bike helmet (Thank you AABTS!!)
• Scholarships are available for those who qualify financially.
• All children bring their own fruit/veggie snacks and water bottle.
• Fridays offer a short classroom demonstration with parents so children can share what they learned. Please arrive at about 11:30am to participate. Safety Town concludes at 11:45am for the week.
• Please note NEW START TIME!

WEEKLY CAMPS

Camps are Monday - Friday (5 days, 3 hours per day). Small student/teacher ratio with PTR certified instructors. All camps feature four instructional days with tournament play on the last day. Tournaments are closed to campers only, giving kids a fun environment to compete using new skills. All players must bring water and a snack daily. Those participating at UM Varsity Tennis Center (VTC) must wear non-marking athletic shoes. Camps will be held outdoors and will move indoors if raining, so camps will run rain or shine! For Full Summer Youth Tennis schedule (Ages 5 - 17) with convenient weekday/weekend groups: visit www.a2schools.org/recedtennis.

ORANGE, Ages: 8 - 11

Orange Ball, 60’ Court, up to 25” Racquet. Level 1: New/Inexperienced Player; Level 2: Intermediate/Advanced. Orange balls fly faster and kids move faster, cover more distance, and use a wider selection of shots. Players love the Orange court! Instructor: Ann Arbor Rec & Ed PTR Certified Instructor.

GREEN, Ages: 9-12

Green Ball, 78’ (Full) Court, 25-27” Racquet. Level: Advanced. Prerequisite: Orange Level 2 or equivalent with instructor permission. The green ‘dot’ ball is pivotal in developing comfort and success with the full court. Players continue to work on consistency, stroke technique, movement, serve strategy, doubles strategy and match play skills. Instructor: Ann Arbor Rec & Ed PTR Certified Instructor.

FAST TRACK TENNIS (FTT), Ages: 12 - 15

New/Inexperienced Players. It’s never too late to start playing tennis! Using a variety of tennis court equipment and techniques, our instructors “fast track” learning essential tennis skills, in a fun, yet relaxed environment. The goal is to progress to full court play by the end of the season. Most players repeat FTT before moving to Junior Team Tennis (per instructor recommendation). Instructor: Ann Arbor Rec & Ed PTR Certified Instructor.
