WELCOME TO AN AMAZING SUMMER OF FUN!

Rec & Ed’s summer camps are designed to give your child an exciting and enriching summer experience under the supervision of trained and experienced leadership. It is our goal to provide your child with a safe and fun summer with age-appropriate, enriching programs that include sports, creative arts, outdoor education, and much more.

We give campers the opportunity to expand their horizons, challenge themselves, develop social skills, find their true passion(s), and excel at the activities that most interest them.

Enrich your child’s summer with creativity, fun, and friends!

my goal for students is to learn and experience

I am inspired by the excitement I see in the children as they learn. My goal is not for them to simply learn about science, but for them to EXPERIENCE it. When that happens, their curiosity starts to shine and it inspires them to want to learn more!

STAY TUNED!

SUMMER CAMPS 2019 5
Safety Town is one of Rec & Ed’s most popular summer educational programs!

For Incoming Young 5’s, Kindergarten or First Graders.
Safety Town is one of Rec & Ed’s most popular summer educational programs. Your child learns safety awareness in a fun and entertaining way using a child-sized mock Ann Arbor “town” explored on bikes. Kids learn how to evaluate safe from unsafe when confronted with potentially dangerous situations.

**Guest speakers include:**
- Police officers
- Firefighters
- Water safety specialists
- “Buster the Bus,” AAPS’ own talking school bus.

**Songs, games, stories and art projects reinforce lessons about:**
- Bike and vehicle safety
- Fire and electricity safety
- Riding a school bus
- Water and pedestrian safety
- And more!

NEW! Online registration includes all emergency information and permissions.

Will your child benefit from extra support? Let us know so everyone succeeds! There’s a Special Needs Planning form to fill out.

All participants receive a t-shirt and bike helmet (thank you, Ann Arbor Bicycle Touring Society!)

Scholarships are available for those who qualify financially.

All children bring their own fruit/veggie snacks and water bottle.

Fridays offer a short classroom demonstration so children can share what they learned. Please arrive at about 11:30am to participate. Safety Town concludes at 11:45am for the week.

Please note NEW START TIME!

Safety Town is even more fun with Fall 2019 classmates!
We try to place children with others attending their school. This gives them a chance to meet students from their class before school begins this fall. We also make every effort to place students with friends as long as a special request is included when you register.

OUTDOOR FAMILY CAMP

Preschool Bike Riding Camp

Ages: 2 - 5 + an Adult. Develop your child’s love for biking through obstacle courses, bike/car-wash stations and riding with friends. The skills for learning to ride a bike are complex and this camp gives you a week to practice together. We work on balancing, riding in a straight line, steering and braking safely on our bike-riding course. We also play special games to support all these skills. Children bring their own riding vehicle, helmet and a water bottle. Please contact us if you do not have a balance bike or trike to bring.

Instructor: Kelly Bauer. Monday-Friday.

Early Bird Discount: $10 off when you register before 4/1.

PRESCHOOL ART CAMP

Power of Drawing Preschool Camp

Ages: 3½ - 5. Preschoolers are so eager to learn to draw! Young Rembrandts provides the foundations of visual expression learned through the experience of drawing. In a positive, nurturing environment, each child draws subjects that they are interested in. They also develop skills in fine motor, focus, listening, staying on task, spatial organization and patience. This fun and rewarding curriculum has been developed by a team of educators, designers, and fine artists. The skills used in drawing are an essential foundation for future academic success with lifetime benefits. Give your preschooler the information they’re hungry for and be amazed by what they’ll create! Campers bring a healthy snack and water bottle. Instructors: Young Rembrandts: Foundation of Creative Vision staff. Monday - Friday. Early Bird Discount: $10 off when you register before 4/1.

ID# 2150.801 6/24 - 6/28 9:00am to Noon Fee: $165 Preschool & Family Center, C105 Scholarship recipients pay a $10 supply fee.

PRESCHOOL ENRICHMENT CAMPS

A2 Little Explorers

Ages: 3 - 5. Calling all preschool explorers! Join us for fabulous weeks of activities with friends. We’ll paint, draw, sing, dance, count, and classify our way through an exciting and fun summer camp experience. Each week offers a different theme where children can expand their interests through a wide variety of center-based activities. Each day includes centers with art, math, science & dramatic play plus music and movement, stories, games and outdoor play. Please send a healthy snack and water to drink. Attending children should be potty trained. Instructor: Kelly Williams. Monday - Friday. Early Bird Discount: $10 off when you register before 4/1.

Cars, Planes & Trains, Oh My! Investigate the world of transportation through games, music, math and more. Create a train, build a car and float your boat in this fun-filled camp.

Ooey, Gooey Science Fun! See why science is all about the WOW! Prepare for the gooey side of science, learn through hands-on science experiments and fun inventions.

Fairytale Town Every day it’s a new Fairytale Town to explore and act out. On the last day, we’ll mix them all up for creative fun and silliness! Bringing props from home is encouraged.

NEW! Superhero Supers Stand for truth and justice and save the world at our new Superhero camp. Fight crime and even save a kitten or two. Join Kelly for a week of Superhero FUN!

Experience Edible Science! In this science-themed week you’ll discover what makes science delicious. Join Kelly for lots of hands-on science experiments and kooky edible concoctions.

NOTE: Children will be eating their experiments. Please inform Kelly of any food allergies.

All A2 Little Explorers Camps are held Monday - Friday at the Preschool & Family Center, Room B102

PRESCHOOL ENRICHMENT CAMPS

**NEW!**
**Eric Carle Goes to Camp**

**Ages: 3 - 5.** Let's jump into the wonderful world of Eric Carle! This beloved author guides us through our days as we read his books and set off on a morning of indoor and outdoor activities and art based upon them. With books like *The Very Hungry Caterpillar, Have You Seen My Cat?* *The Grouchy Ladybug,* and *The Tiny Seed,* we explore animals, insects, feelings, gardening, colors and more. We'll also create our very own Eric Carle-like book! Each child contributes to our shared writing project (using the thought process involved in writing) to write and illustrate our new version of pattern book that they take home on Friday. Please send a healthy snack and water to drink. Instructor: Bonnie Kerber.

**Explore, Invent, Discover Camp**

**Ages: 3 - 6.** Laura Emmer creates a different kind of preschool camp experience with a new theme to explore each day. This camp offers stations for art, music, science experiments, books and play around farm, dinosaurs, planes/trains/automobiles, space and bugs/great outdoors/camping! Play-based choices are a wonderful way to support your child's love of learning while building skills and experience. What a great confidence builder before your child heads to preschool or kindergarten! **Children need to be toilet trained to attend.**

**Launch Into Literacy Camp**

**Ages: 4 - 6.** This unique camp, similar to our class, combines independent literacy activities, small group learning, and one-on-one reading support and then adds a whole camp experience, too. There are free-choice opportunities as well as time to go outside. Laura Emmer, who has a masters in early literacy development, strives to create an environment that helps to develop your child's love for literacy and identity as a 'reader.' With teacher support, the students learn to retell familiar stories as well as experience some of the basic fundamentals of reading all in a social setting. Please send a healthy snack and water to drink. **Instructor: Laura Emmer. **Monday - Friday.**

Farm to Table I: The Science of Food!

**Ages: 4 - 7 & an Adult.** This unique camp takes you and your child on a culinary adventure at The Farm at St. Joe's! Together we harvest fresh produce and explore the science behind growing, eating and cooking food as we learn how to make good food choices. We also transform our locally-grown and freshly picked produce into nutritious snacks that are easy and fun to make. Each day includes hands-on activities and take-home recipes. **Children attend with an adult.** Please bring a water bottle for each participant.

Instructor: Laura Meisler. **Monday-Friday.**

**ART CAMPS**

### The Power of Drawing

**Ages: 7 - 10.** In the morning enjoy Pixel Block Characters from Favorite Apps and Video Games. Learn how fun it is to render animation and cartoon techniques to create your favorite pixel block characters and other icons of video games. We will study how exaggeration, facial expressions, and unique comic techniques are used to create action-packed graphic visuals. How exciting to understand the construction of pixel shapes as they form the building blocks used to render subjects and objects in this world of technology! In the afternoon, take on Nature's Majestic and Colorful Critters. From majestic to humble, the creatures of nature, both wild and domesticated are fun to draw! From the furry to the scaly, come explore the exciting world of animals as we examine the colorful, dynamic and unique ways that nature unfolds under our pencils! Pastels and colored pencils included in this workshop.

**HAPPY CAMPER***

"Great teacher, good level of support for my child as he got comfortable, age appropriate, really positive experience." *(Musical Theater Camp)*
Dance Around Ann Arbor Camp

**Ages: 5 - 10.** Miss Lesley leads a week of interactive dance exploration for older children. Dancers learn about the art of dance techniques, including ballet, modern, tap and jazz, as well as choreography and improvisation. Children create daily performances and works of art inspired by the music and the artists reflecting each technique, listen to stories from the camp library of literature and poetry, and create their own collaborative poetry. They keep a daily journal of art during the week and bring home notes and photographs. Please send your child in clothes and shoes suitable for dancing and art-making along with a healthy snack and water bottle each day. Optional: Miss Lesley invites families to meet her at several locations around town to perform dances. Director: Lesley Kabza Criscenti, the creative arts specialist with over thirty years experience teaching multi-age arts classes.

ENRICHMENT CAMPS

NEW! Chinese Culture Camp

Ages: 5 - 10. Come experience Chinese culture first-hand with expert instructors! This camp features Chinese cultural activities such as Chinese music, calligraphy, painting, paper cutting/paper folding, martial arts and so much more. Take in a demo of traditional Chinese musical instruments including the Zheng, Erhu and Chinese flute. Dip your brush into the ink and learn how to paint a panda or write the Chinese character of “happiness." Maybe Chinese chess or yo-yo is for you! The camp is designed with a clear goal/result orientation. That is, at the end of the camp, you will leave with something you have made to show off to your family and friends. And, even better, you’ll learn to appreciate and understand cultures of the world and its peoples. Instructors: Ann-Hua Chinese School staff. **Monday - Friday.**

**Early Bird Discount: $20 off when you register before 4/1.**

ACADEMIC CAMPS

Beat the Summer Slide!
The “Summer Slide” happens when children are not engaged in reading or math over the summer months and have to re-learn concepts in the fall. Rec & Ed’s academic and “club” camps focus on retaining and building critical skills in fun, small group settings. Campers develop confidence while making friends -- and best of all, there’s no test at the end!

Jumpstart Math Explorers
Ages: 5 - 6. Math is fun! Our Math Explorers camp incorporates the highly successful Mathnasium First Steps curriculum to introduce young children to important math concepts, vocabularies and build numerical fluency in a fun and interactive way. Children build a “number sense” foundation and a critical step toward future success in mathematics. Prerequisite: students can recognize numbers 1-10 and count 1-10.
Instructors: Mathnasium Learning Center staff. Monday - Friday.
Early Bird Discount: $10 off when you register before 4/1.

A+ Math Bootcamp
Ages: 7 - 10. Build a solid foundation for future math success! Using the highly effective Mathnasium Power Math Workout program students develop understanding and fluency on important math concepts and skills: whole number addition, subtraction, multiplication, division, fraction concepts, decimal concepts, percent, problem solving and mental math. Fun math games are used for building number sense and logic thinking skills.
Instructors: Mathnasium Learning Center staff. Monday - Friday.

Reading & Writing Club
Ages: 5 - 12. Develop your reading and writing skills in an informal learning setting. In small groups and individually, we’ll focus on decoding strategies and increasing comprehension. We will also practice journaling, writing stories, and reports. You will receive a journal with writing prompts and take home reading strategies at the end of the club that will assist you with your summer reading and writing goals. Camps are split by age. Instructors: Covert Educational Services staff. Monday - Friday.

**DUCT TAPE BILLIONAIRE**
Design and create products to market and sell. Build inventory, get ready to take some risks and create a start-up business that will put your products in high demand.

**MISSION SPACE MAKERS**
Your mission is to locate and prepare a new planet for human habitation. Design inventions to transform the atmosphere, terrain, and ecosystem of the next Earth.

**OPERATION KEEP OUT**
Take apart machines and use their pieces to create the ultimate Spy Gadget Alarm Box. Read notes in invisible ink, use spy glasses, and write in secret codes.

**HAVE A BLAST**
Engineer an enormous cardboard castle, design “snowball” throwers, make a giant air cannon, launch water rockets, and fling rubber chickens. ALL using physics!
NEW! Camp Invention: Supercharged
Ages: 5 - 10. Instructors: Rec & Ed staff. Monday-Friday.

**INNOVATION FORCE**
Team up with the Innovation Force, a group of NIHF Inductees who have been transformed into superheroes to battle the evil Plagiarizer, a supervillain who is out to steal the world's ideas. Create a device to retrieve the stolen ideas and learn about the importance of collaboration and patents.

**FARM TECH**
Manage your own farm and learn the basics of running a business. With the assistance of Bot-ANN-E, a programmable robot, you can learn fundamental coding techniques to maximize your time and profits and perform mock DNA experiments to check the health of your cattle.

**DIY ORBOT**
Explore frequency, circuit boards, motors and gears as you use real tools to reverse engineer a remote-controlled DIY Orbot. Throughout the week, adapt your DIY Orbot to perform increasingly challenging tasks from sports to art.

**DEEP SEA MYSTERY**
Stranded on an island, you will work in teams to invent island survival tools and underwater equipment to navigate your way back home.

**PLTW Vex BattleBots**
Ages: 12 - 13. You will design a VEX Robot, learn to program using RobotC, and then construct a bot using Advanced VEX kits. Teams of two will battle their robots in the Ring of Power. The challenge: create a robot with the perfect combination of speed, power, and agility to dominate your opponents! Camp is aimed at incoming 7th and 8th graders. Last day will extend beyond noon to accommodate the competition. Instructors: AAPS Project Lead the Way staff. Monday - Friday.

**Co-Ed: Half Day**

**Ages 11 - 14.** Experience high school level basketball in this camp for players who have played competitively for at least two years. There will be a heavy emphasis on individual skills that need to be developed to give players a foundation in preparation for high school basketball. Additionally, players will be put through a scaled back version of a typical high school practice: teaching team concepts involving man-to-man defense, ball screen offense and the transition game. The goal of the camp will be to carry these concepts over to live 5-on-5 game action.

Instructors: Pioneer High School boys varsity coaches and players.

38 SUMMER CAMPS 2019
Registration

Early Bird Registration - Register Early/Save Money!
Register by 5:00 PM on Monday, April 1st and save $20 on select full day camps and $10 on select half day camps. Not all camps offer an Early Bird Discount.

Multi-Week Discount
Enrolling any child in 4 or more weeks of full day summer camps in one transaction saves 10% off the total cost. You will not receive a discount if you enroll the same child in these camps in separate transactions. NOTE: This discount does not apply to Preschool Camps, Safety Town/Camps, Adapted Camps, or any half day camps.

Camp Transfers
Subject to availability, transfer requests must be made at least 10 days prior to the beginning of a session. Transfers to other camps should be requested prior to the second day of camp and are subject to camp availability.

T-Shirts
Some of our camps provide a t-shirt for each camper. Please indicate the t-shirt size of your child on the registration form; however, it is not a guarantee the specific camp will distribute t-shirts.

Wait List Policy
Participants who register after a camp has reached its maximum enrollment will be placed on a waitlist for that camp.
• We will email you a wait list confirmation. This is not a receipt.
• You will only be contacted when an opening is available.
• Please do not attend the camp for which you are wait-listed until our staff notifies you. If an opening does not occur, payment made with an individual check will be returned to the payer. Payment made with a single check for multiple registrations will be credited to the payer’s account. This credit may be used for future registrations or will be refunded upon receipt of a written request. Credit cards are not charged for camp registrations that are wait-listed. If you are waitlisted for a camp during the early bird registration period and a spot later becomes available in that camp, you will be charged the early bird price of the camp.

Credit/Cancellation Policy
Please let us know as soon as possible if your child does not plan to participate in a camp so that we can contact a child on the wait list. There is no refund, credit, or reduction of fees for classes missed by a camper. Families are entitled to a refund if:
• You submit your request in writing by mail to:
  Rec & Ed Refund Request, 1515 S. Seventh St, Ann Arbor 48103
• You email your request to: cancel@aaps.k12.mi.us
• You notify us in advance of the camp start date as follows:

Camp Scholarship Program
• Waivers are available to permanent residents of the Ann Arbor Public School district in need of financial assistance.
• During the summer term 2 (two) classes/activities or 1 camp and 1 class/activity may be selected using your Rec & Ed scholarship. Some classes/activities/camps may be limited or excluded from the scholarship program. Certain camps offer their own scholarships through our partners. See individual camp descriptions for more information.
• Any listed scholarship copay must be included with your registration form.
• Our scholarship spots fill up quickly each year. If your child can’t attend a camp they’re registered for, please notify the office immediately so that we can invite a child from the wait list. Failure to notify may result in revoking future use of the scholarship program unless good cause is shown.
• Our online registration system cannot process scholarships. If you wish to register your child using a scholarship you may either drop off your registration or mail to our office. Fee waivers are not granted after registration is processed.

Daily Operations

Dress Appropriately
Make sure your child is dressed for comfort, safety and the current and forecasted weather. Avoid clothing with strings attached that may get caught on play equipment. Please consult the welcome letter for your individual camp for footwear requirements; some camps require closed toe shoes and most camps will go outside, weather dependent.

Lunches and Snacks
Packed lunches at camp are often kept at room temperature for 4-6 hours. There are several ways to keep a packed lunch safe to eat:
• Choose foods that may safely be kept at room temperature
• Select and handle food carefully to prevent food poisoning
• Insulated, soft-sided lunch boxes or bags are best for keeping food cold
• Pack at least 2 (two) ice sources with any type of lunch bag or box you use
• Extended care participants should pack additional snacks

All Rec & Ed camps are “Nut Aware.” We have campers who have severe allergies to nuts including sesame seeds and hummus. Please respect this rule when you send food with your child. Foods that contain nuts, nut products or are produced in a facility that processes nuts need to stay at home. Campers with nut products in their lunches or snacks may be directed to eat in a safe area away from campers with allergies. Camp staff may also call home for replacement lunch or snacks.

Beating the Sun
Due to the hot weather during the summer, we strive to ensure that the children are not outdoors during the hottest time of the day. There will be shade and water stations available. Help fight heat and dehydration by sending one or more refillable water bottles with your child. We recommend putting sunscreen on your child before your child comes to camp. Camps will not provide sunscreen for campers to use but assistance will be provided for young campers for reapplication.

Register online at AARECDECAMPS.COM
Supplies to Pack

Supplies may include food and/or snacks, water bottles, bug spray and sunscreen. Make sure that any clothes, backpack, and other items your child brings are okay to get wet, soiled or ripped. Label all clothes and supplies with your child’s name using a permanent marker. Rec & Ed will make reasonable effort to locate lost items; however, Rec & Ed is not responsible for any lost or damaged items.

Policies and Procedures

Behavior/Discipline Policy

Respectful interactions between campers, staff, and parents are essential to a successful program experience for all. Campers are expected to be able to participate in camp activities in a positive manner that is not disruptive for other campers or the camp environment. Bullying, fighting, inappropriate behavior or language, and/or continual disregard for camp safety, policies and procedures will not be tolerated. If inappropriate behavior occurs, camp staff will use strategies such as redirection, problem solving, and talking with parents. If positive outcomes cannot be achieved, Rec & Ed reserves the right to call parents for an immediate pick-up, suspend, or dismiss a camper from a camp without a refund. For more information, please see the Ann Arbor Public Schools “Rights and Responsibilities” handbook.

Medical Information

It is extremely important that we have all necessary medical information concerning your child.

Medications

If your child must take a medication during camp, the Ann Arbor Public Schools medication policy requires written authorization to be on file at the camp in order for camp staff to administer all prescribed and over-the-counter medication. The authorization form must be signed by both a physician and a parent/guardian. All medications must be in its original container and clearly labeled. If any of these conditions are not met we will be unable to administer medication.

Accident/Injury

If an accident should occur at our program, the Supervisor will advise the parent at the time of pick up, unless it is a head injury. All injuries to the head will receive an immediate parent phone call. If emergency treatment is warranted, the Supervisor will immediately notify the parent or guardian and the child will be transported by ambulance to the nearest medical facility, if necessary.

Allergies

If your child has an allergy action plan, please let us know at least 2 weeks in advance of your child’s participation in the camp. Call (734) 994-2300 x53235 with your child’s information. Camps follow the district policy governing use of Epi pens for allergic reactions. It is the parent’s responsibility to communicate any special concerns to the Camp Director and to provide any necessary training to camp staff.

Special Accommodations

Rec & Ed makes every effort to provide reasonable accommodations for children with special needs. When registering online, parents will be asked what accommodations are needed for the child to be successful. We need at least 3 weeks notice for students requiring a one-on-one aide. Rec & Ed staff will follow up with parents regarding accommodations based on information provided at registration. If you have not been contacted regarding your child’s special needs by at least 2 weeks before the camp starts, please call (734) 994-2300 x53179.

Safety First

We are committed to providing kids with a safe and positive environment. For campers aged 10 and under, we ask that you walk your camper inside each morning to drop them off, and come inside to pick them up each afternoon. You will be required to present identification. Only persons listed on the camper’s information form are authorized to pick up and sign out your camper, unless a parent notifies us otherwise during camp. Under no circumstances will your child be allowed to leave our program with an unauthorized person.

Additional Information

Americans with Disabilities Act Access to programs and facilities is intended to be nondiscriminatory. For information on special accommodations, call (734) 994-2300 x53179. We need a minimum 2-week notice to arrange most special accommodations for a camper. One-on-one aides require 3 weeks notice.

Say Cheese!

I understand and agree that the Ann Arbor Public Schools Rec & Ed department may take pictures or videos of youth and adult participants in any Rec & Ed activity, including camps, classes, team sports, and childcare. Images may be used in Rec & Ed or school district promotional materials (brochures, catalog, website, and social media). For your safety, names will never be used. Rec & Ed will not authorize others to use such photographs for commercial purposes. Enrollment in an activity with Rec & Ed indicates approval. To opt out, email dishman@a2schools.org.

Trained Staff Make the Difference

Staff receives ongoing training in the areas of child development, quality environment, programming, behavior management, health and safety. Each camp has at least one staff member present when camp is open who is CPR and First-aid certified. Staff members are selected for their maturity, enthusiasm, and the desire to be sure your child receives the best care and attention possible at camp. All employees are subject to criminal background checks and fingerprinting. Sport camp instructors are also certified in concussion prevention and awareness.

Weather & Facility Cancellation Hotline

Michigan’s unpredictable weather can deeply impact summer camps. You can anticipate indoor-based camps to be hot with limited access to air conditioning. Outdoor-based sport camps may be cancelled due to rain or excessive heat based on the district’s policies. Department-wide, call (734) 994-2300 for weather updates. When a school is closed due to power loss or other facility problems, the Rec & Ed activities in that school are cancelled.

MAKE OUR VOLUNTEERS HAPPY!

I have been a Rec and Ed Summer Camp Volunteer for the past 3 years. The High School Volunteer Program at Rec and Ed has helped me realize my leadership potential and my passion for working with children. I think there is a spot for everyone to grow as a participant in the High School Volunteer Program. The program is a great opportunity to learn, have fun, and make new connections with the adult staff, other youth volunteers, and the campers! As I was once a camper, seeing the other side of camp at Rec and Ed has only grown my appreciation for the Summer Camp experience I enjoyed when I was younger.

~ Santana Malnaik, High School Volunteer
