### Principal Report - Will Wright

1. I wanted to start by thanking everyone. I made a list of all the things we accomplished this year: Beats and Treats, Field Trips, Carnival, Camp for 3rd grade, Virtual talent show, wonderful teacher appreciation, recess shed, summer literacy program. This was all in the midst of an ongoing pandemic. So grateful to all of you! We've managed to give kids experiences they missed out on the past two years and gave families experiences to come together as a community. Quite a year!
2. Last day of school is a half day with a 11:28 dismissal (not 1:18 pm like an early release day). Report cards will go home on the last day of school. All tests are complete and end of the year assessments in process. Student technology collection is in process. iPads are being collected today and Chromebooks are being collected on June 9 (including chargers).
3. As a reminder, I am traveling to DC for my niece's graduation on Friday and I'm sorry to miss Carnival. Have a great time!
4. Science Alive for next year is being proposed for December 13 and 14. Do those dates work? Nothing currently conflicting and it will be scheduled.
5. Class Breakdown for next year: K - 2 sections, Y5 - 1 section, Grades 1-4 will have 3 sections. Grade 5 will have 2 sections as this class has shrunk a bit. I'll send an update and this is always open to change in case enrollment shifts.
6. Welcome for New Families & Meet & Greet - Kerri and Will to connect regarding plans and dates.

### Science Olympiad and Social Events Report - Tierra Jackson

1. Science Olympiad is Sunday. Key supervisor will be former Logan parent Karen Thurman (thank you, Karen!). **Logan still needs 5 more parent volunteers for the competition.** Our raffle basket this year will be a bike. We won't have an assembly this year, but we ordered Logan medals for the participants.. PTSO will be paid back for T-shirt loan.
2. Carnival is June 3rd!

- a. Question from Becky Matz regarding providing raffle tickets for free to all students. Logistics were discussed and the decision was made to give every family that attends a free punch card and raffle tickets for children in attendance. Families who would like to can still purchase more if they'd like. Passing them out in school presents challenges otherwise (i.e. can families pick up baskets, will tickets be lost, etc.). Valid discussion that we will continue to assess as to the best option each year.
  - b. Discussion providing payment options for donations and concessions and the suggestion to include Venmo and Square is recommended.
  - c. Laura Emmer is all set with the Sweet Treat Trot. Lots of sweets expected!
  - d. Set-up: Rosi & Kerri are setting up games after school on Friday and looking for lots of help. Balloon delivery between 3 and 5 from Party City on Friday. Tables are coming on Thursday and will be picked up on Monday. Facilities will help with moving tables to the upper EI playground.
  - e. Games need several volunteers. Regarding Walkie Talkies, Will shares they can be used for carnival and can be found in the office.
3. Student Council - Student council ordered and will be selling masks at Carnival. Masks will be \$5/masks. \$2/mask will be donated to the homeless shelter. The person who made them donated \$100 back to Logan.
