2015 Bond Projects

April 2017 Update

In May 2015 AAPS voters approved a Bond issue to raise \$33 million to provide necessary upgrades and enhancements to Classrooms, Performing Arts, Playgrounds, Athletic Fields, Security and Buses - at no additional levy to taxpayers due to historically low interest rates.

Ongoing updates and enhancements to our schools strengthen our educational programs and allow us to provide the best opportunities for all of our students!

Thank You AAPS Voters!
