- C. If a team is not sure of its number of forfeits, it is the team manager's responsibility to contact the league statistician at 994-2300 ext. 53218. The Team Sports Manager may waive the league re-entry fee at his or her discretion.

5. **LEAGUES**

Co-Rec leagues include: Municipal / Federal, Community / City, Recreation / County, and "7 & 3".

6. **MAKE-UP GAMES**

Rec & Ed will attempt to schedule make-up games on regular nights of play.

- A. The home team must keep the official result sheet. See "HOME TEAM".
- B. The winning team must drop off the official result sheet, with umpire evaluation, in one of the drop boxes located at Rec & Ed, Southeast Park or VMP (Veterans Memorial Park). The losing team should also turn in a result sheet with umpire evaluation.
- C. If a game ends in a tie or incomplete game, the home team is responsible for dropping off the official result sheet.

8. **TIEBREAKERS, POSITION PLAY**

- A. When there is a tie in the standings between two teams for league or division championship, for runner up awards, or before position play begins, these tiebreakers will be utilized in the following order: 1) head to head games; 2) head to head - fewest runs allowed; 3) fewest runs allowed in all games played. If the teams are still tied after using these 3 tiebreakers, a single tiebreaker game will be played.
- B. When a tie in the standings exists between three or more teams for league or division champions, for runner-up awards, or before position play begins, these tiebreakers will be utilized in the following order: 1- head to head games (if all teams played the same # of times); 2- head to head - fewest runs allowed (if all teams played the same # of times); 3- **fewest runs allowed in all games played.** If the tied teams have not played each other the same number of times, Tiebreaker #3 will be used (fewest runs allowed all games during the season). If the teams are still tied after using these 3 tiebreakers, a tiebreaker bracket will be played.
- C. Games played to a tie during the regular season are considered regulation games and will not be replayed. Furthermore, tie games are not factored when calculating a team's won-lost percentage.

Note: Tiebreaker games are played using normal league rules. Coin toss determines home team.

**POSITION PLAY**

Once the Thor Guard System determines that a lightning strike is imminent an alarm or horn blast will sound for 15 seconds. In some cases the horn blast may be accompanied by a flashing strobe light. Ball players, coaches, spectators, umpires, and other staff should seek shelter immediately. When the system determines that the threat of lightning has passed, three short blasts will be emitted from the horn clusters.   - E. **Taunting or provoking an opposing player before, during, or after the conclusion of a game for any reason, including, (but not limited to) gender, appearance, or ability level, will not be tolerated. Likewise, sexual innuendos of any kind (verbal comments, nicknames or physical gestures) will be treated with a zero tolerance policy.**
    - 1. The first instance will result in the umpire issuing a verbal warning to the offending player and the player's manager. A second offense in the same game results in immediate player ejection from the game plus the following game plus identification to the Rec & Ed office. That player & team manager will then be issued a formal reprimand to remain on file at the Rec & Ed office, and the team will be placed on "probation" status for the remainder of the season.
    - 2. Any further instances during the same season by this player will result in expulsion from ALL Rec & Ed sponsored activities for one full calendar year and the team will forfeit the remainder of its season. Infractions during future seasons will result in an individual lifetime ban from all Rec & Ed sponsored activities, and team disqualification from future seasons. **Rec & Ed Sports should be fun for EVERYONE.**

17. **AUTOMATIC OUT**
- A. Whenever two male players bat consecutively, an out will be called before the second male batter takes his turn at bat.
  - B. If a player is forced to leave a game due to injury or commitment, a reserve player, not previously entered into the game as a hitter, must hit in the batter's place. If no reserve is available, an out will be called each time the exiting player's spot comes up in the batting order.
18. **BASE DISTANCES**
- A. Bases are set by the Ann Arbor Parks and Recreation Department or contracted staff at all fields.
  - B. The official base distance for all Co-Rec softball leagues is 65 feet.
19. **BATS**

21. **BLOOD RULE**
- "A player, coach [manager] or umpire who is bleeding or who has blood on his [or her] uniform shall be prohibited from participating further in the game until appropriate treatment can be administered. If medical care or treatment is administered in a reasonable length of time, the individual will not have to leave the game. The length of time that is considered reasonable is left up to the umpire's JUDGEMENT. Uniform rule violations will not be enforced if a uniform change is required. The umpire shall:
- A. Stop the game and immediately call a coach [manager]...or other authorized person to the injured player and allow treatment.
  - B. Apply the rules of the game regarding substitution, short-handed player and re-entry if necessary. See USA Softball Rule Book: RULE 4-Section 1.
22. **BORROWING PLAYERS**
- A. If a team lacks the minimum number of players to begin the game, it may borrow players from the opposing team, as long as the manager of the opposing team agrees. If borrowed players are used, the game will count in the standings.
  - B. Borrowed players must be rostered players from the opposing team.
  - C. If the team borrowing players acquires the minimum number of players after the start of the game, all borrowed players must be returned to the sending team and used as legal substitutes without penalty.
  - D. Players taking over for borrowed players must take the borrowed players spot in the batting order.
23. **COURTESY RUNNER**
- In all Rec & Ed leagues, a courtesy runner may be employed under the following conditions:
- A. The courtesy runner may enter the game after the batter/runner or runner reaches base safely and time is called by the umpire.
  - B. The courtesy runner may be **any eligible player of the same gender. A courtesy runner will be called out when his / her turn at bat comes up while on base.** (USA Softball Rule 8 Sec.9 B&C).
  - C. The courtesy runner is limited to run for only one player per inning, but may do so more than once in the same inning, as long as it's for the same player. However, the TEAM is not limited in the number of courtesy runners used per inning.
24. **DEFENSIVE POSITIONING**

Fielders do not have to alternate according to gender.

25. **DOUBLE BASE**

A double base will be used at first base in all leagues, and the following rules will be enforced:

- A. A batted ball hitting or bounding over the white portion is declared fair and a batted ball hitting or bounding over the colored portion is declared foul.
- B. Whenever a play is being made by an infielder on the batter-runner, the defense must use the white portion and the batter-runner the colored portion. The batter-runner is out when there is a play being made at first base and the batter-runner touches only the white portion, providing the defense appeals prior to the batter-runner returning to first base. Once the runner returns to the white, no appeal can be made.
- C. On any force out attempt from the foul side of first base, or an errant throw pulling the defense off the base into foul ground, the defense and the batter-runner can use either the white or colored portion.
- D. On extra base hits or balls hit into the outfield, the batter-runner may touch the white or colored portion. Should the batter-runner return, the runner can return to either portion of the base.
- E. When tagging up on a fly ball, either portion may be used.
- F. If, when using the double base, and there is a force play by an infielder on the batter-runner, who touches only the white portion and collides with the fielder about to catch a thrown ball while on the white, interference is ruled, the ball is dead, the batter-runner is out, and all other runners are returned to the base last occupied at the time of interference.

26. **EXTRA PLAYER (EP)**

EP's may be employed with the following exceptions to ASA Rule 4-Section 4.

- A. The starting EP and any substitute EP may re-enter the game once.
- B. Should an EP or his/her substitute be injured, ejected, or otherwise incapacitated, his or her team must enter a substitute or an out will be called whenever the EP's turn at bat comes up.

27. **FORFEIT TIME**

- A. Game time is forfeit time in all leagues.

**Exception:** If the manager of the team with enough players agrees in the presence of the umpire, the game may be postponed ten minutes to wait for the arrival of the minimum number of players for the opponent to field a team. However, teams will not be given any additional time to play the game. **Example:** If a game is scheduled to begin at 6:15 pm and the minimum number of players does not arrive on site until 6:25 pm, no inning may begin after 7:30 pm, not 7:40 pm.

28. **GAME BALLS**

- A. The official game ball for Co-Rec will be the Worth .52 COR softball.
- B. At the beginning of each Co-Rec slow pitch game, the home team shall supply a new ball and the visiting team shall supply an acceptable used ball to the plate umpire.
- C. At the end of the game, each team shall receive their ball or balls back unless a ball has been lost. In that case, the visiting team will not receive (a) ball(s).
- D. If a team does not provide the proper game ball or balls, the umpire shall proceed with the game using the best ball or balls available **which meets prescribed league specifications**. However, he or she may report the incident to Rec & Ed and the offending team shall be assessed a \$5.00 ball fee.

29. **HOME RUN RULE**

- A. In Co-Rec City, Community, County, and Recreation leagues, an over-the-fence home run is an out. **EXCEPTION: When games in the above leagues are played at Vets 2 or Vets 3, an over-the-fence home run will be a "base on balls".**
- B. **In Corec Federal, Municipal, and "7 & 3", teams may hit no more than three dead ball home runs per game.** After a team has hit its limit of three dead ball home runs in a given game, any member of that team who hits an additional dead ball home run shall be declared out and his/her home run will be nullified. No runners will be allowed to advance.
- C. On any fair batted ball hit over the fence for a home run within the limits specified in B above, the batter and runners are credited with a run. The batter and any runner on the bases do not need to run the bases. Note: This would eliminate any runner appeal play.
- D. **If a league is a combination of Federal / Municipal and lower levels, 3 home runs are allowed for all games, regardless of opponent.**

30. **HOME TEAM**  
 A. During regular season play, the home team is the team listed first on the league schedule.  
 B. A coin flip will designate the home team during all tiebreaker and playoff games.
31. **MAXIMUM RUN RULE**  
 The maximum number of runs that can be scored in one half-inning is ten.
32. **MERCY RULE**  
 A. A run ahead rule or mercy rule must be used in all Rec & Ed softball league play. Whenever one team attains a significant lead over its opponent as described in Section B of this rule, the game ends, and the team with the lead is declared the winner. (See Section B Below)  
 B. The run ahead rule is in effect if a team is ahead by 20 runs after three innings of play, by 15 runs after four innings of play, or 10 runs after five innings of play. Complete innings must be played unless the home team reaches the run ahead limit while at bat. When the visiting team reaches the run ahead limit in the top half of the inning, the home team must always have an opportunity to bat in the bottom half of the inning before the run ahead rule can be enforced,  
 Exception: When the visiting team leads by 11 runs in the top of the seventh inning, the game is called, since the home team cannot score more than ten runs when it is their turn to bat.
33. **MINIMUM OUTFIELDER RULE**  
 A. Prior to the pitch, four fielders must be in the outfield when ten fielders are used.  
 B. Prior to the pitch, at least three fielders must be in the outfield when eight or nine fielders are used.  
Penalty: The first violation of this rule results in an **illegal pitch** and a team warning. After the team warning, flagrant violators may be ejected. Note: The outfield is defined as the outfield grass.
34. **MINIMUM PLAYER RULE (5-5)**  
 A. A team may start and/or finish a game with no fewer than eight players\*. (see 34.1)  
 B. Legal male/female or female/male gender combinations include: 6 - 6, 6 - 5, 5 - 5, 5 - 4 and 4 - 4.  
**Teams may also play with more female than male players.**  
 Exception to B: A team may not play a 4 - 4 lineup when a fifth player of either gender is available.  
 C. Should a team be unable to comply with A & B above, the opponent is awarded the game by forfeit.  
 Note: The Rec & Ed MINIMUM PLAYER RULE and AUTOMATIC OUT RULE supersede the ASA SHORT-HANDED RULE during league play.
- 34.1 **\* MINIMUM PLAYER RULE (Courtesy Catcher option)**  
 In situations where a team has only 7 or 8 players and BOTH teams agree, the "full" team may lend the shorthanded team a "courtesy catcher". The courtesy catcher's only responsibility is to throw the ball back to the pitcher when the batter does NOT put the ball in play. They are not allowed to catch a foul ball in the air or make a play anywhere. The pitcher (or other defensive teammate) must cover the plate and respond to all overthrows. Once agreed to by both team managers, the courtesy catcher is allowed for the whole game (teams can't change their minds about this agreement). But once a 9th player arrives, no courtesy catcher can be used.
35. **MINIMUM PLAYER RULE (6-4 option)**  
 Rec & Ed Co-Rec softball teams may use the traditional 5-5 male/female batting line-up with 10 defensive players or the 6-4 male/female or female/male batting line-up with 10 defensive players. If the 6-4 option is to be used, below are the specific requirements.  
 A. A team must start and/or finish with no fewer than eight players  
 B. If a team wants to play with 6 men and 4 women, they must receive permission from their opponents. Their opponent MAY also play with 6 men and 4 women, but are not required to. If the opponent does not approve the 6 men / 4 women lineup, the team in question must play with 5 men and 4 women.  
 C. The following league rules and their ASA counterparts shall not apply when the 6-4 rule is used: Automatic Out Rule (Rule #17), Batting Order Rule (Rule #20) and the Walk Rule (Rule #49).  
 C. A substitute may only replace a player of his or her OWN gender in the batting line-up.

36. **“7 & 3”**
- A. Teams playing in “7 & 3” play with 7 males and 3 females.
  - B. Defensively, in 7 & 3, the female players are positioned as follows:
    - 1. At least one female plays in the outfield.
    - 2. At least one female plays in the infield.
    - 3. At least one female is either the pitcher or the catcher.
  - C. On offense, females may not bat consecutively, but men **MUST** bat consecutively: 2 or 3 in a row. The batting order may have “3 men in a row” only once in the lineup.
  - D. A team may play in 7 & 3 with a team of 6 men and 4 women, or 5 men and 5 women.
  - E. 7 & 3 teams have a 3 dead ball home run limit.
  - F. **EXTRA HITTERS:** A team may use 1 male Extra Hitter as long as they also have 1 female Extra Hitter (bat 12). A team may also use extra female hitters (bat 12).
  - G. All other Rec & Ed Corec League rules apply.
37. **PITCHING ARC & TIME INTERVAL**
- A. The pitcher must deliver the ball with a perceptible arc and reach a height of at least six feet from the ground, while not exceeding a maximum height of 12 feet from the ground.
  - D. The pitcher has 5 seconds to release the next pitch after receiving the ball or after the umpire indicates “Play Ball”.**
38. **PRELIMINARY PITCHER POSITIONS**  
Prior to the pitch:
- A. The pitcher must take a position with both feet planted firmly on the ground and with one or both feet in contact with the pitcher’s plate, OR
  - B. The pitcher may take a position anywhere from the front edge of the pitcher’s plate up to **ten feet** behind the pitcher’s plate as long as he/she takes his/her position within the 24 inch width of the pitcher’s plate. This area is known as the pitcher’s box, AND
  - C. The pitcher must come to a complete stop with the ball in front of the body. This position must be maintained for at least one second before starting the delivery.  
**Note: After the pitcher comes to a stop he/she is only allowed to take one step, in any direction, during the delivery.**
  - D. Failure for pitchers complying with either A, B or C will result in the umpire signaling a delayed dead ball and declaring an illegal pitch.
39. **PROTESTS**
- A. There will be no protests of an umpire's judgment decisions.
  - B. Protests involving rule interpretations must be submitted in writing within forty-eight hours after completion of the game and must be accompanied by a fee of \$20.00 which will be returned if the protest is allowed.
  - E. A team must notify the plate umpire of its intent to protest before the next pitch (if on the last play of the game, the protest must be lodged before the umpire leaves the playing field). After the protest is declared, the plate umpire shall inform both scorekeepers to note the point of the game when the protest was made and the game must be completed.
- Note: Protest procedure is set forth clearly in the ASA Rule Book (ASA rule 9-Sections 1-7). A hand out on proper protest procedures is also included in the Manager’s Packet sent to each team manager and is also posted on the Team Sports Website.**
40. **REGULATION GAME RULE**
- A. In Community, City, County, and Recreation leagues, 70 minutes will constitute a complete game regardless of the number of innings played.  
Exception: In the event weather interrupts a contest, the game shall be declared official once 5

innings (or 4 and 1/2 innings if the home team is ahead). If 5 innings have not been completed, the contest shall be ruled a no-contest and shall be replayed from the beginning.

B. In all other leagues, any game that is not considered regulation will be replayed from the beginning.

41. **SHOES**

A. Shoes must be worn by all players.

B. Metal, hard plastic, or polyurethane spikes similar to the traditional triangular sole and heel plate configuration are not allowed.

C. Shoes which bear hard plastic or polyurethane cleats which are not in the traditional triangular sole and heel plate configuration and possess safety nubs are allowed.

D. Shoes with detachable cleats that screw on the shoe are not allowed; however, shoes with detachable cleats that screw in the shoe are allowed.

E. If a player is found in the game wearing shoes not allowed on the list above, it is an automatic out in his or her next at bat. The player will leave the game immediately (the team plays short-handed if no substitutes are available) but may re-enter the game one time if they have legal shoes to change into. Any further instances will result in ejection, since this is a safety issue.

42. **STEALING**

Stealing will not be allowed in men's, women's, or co-rec slow pitch softball leagues. Since the ball is dead on balls and strikes, runners are not out and they are returned to the base they held at the time of the pitch. Because a runner may not steal the runner cannot be picked off either. Runners will be called out when they fail to keep in contact with a base to which they are entitled until a legally pitched ball is batted, touches the ground, hits the batter, or reaches the front edge of home plate.

43. **STRIKE OUT AND "1 & 1" PITCH COUNT**

A. A batter is called out on strikes when charged with three strikes during his / her time at bat.

B. In all softball league, batters begin their time at bat with **ONE ball and ONE strike count with "one to waste"**. (\*A foul ball with two strikes is your "one to waste")

44. **SUBSTITUTIONS & RE-ENTRY**

A. Any starting player, substitute or EP may be withdrawn and re-entered into the game once, provided the player occupies the same position in the batting order.

F. Violation of the re-entry rule shall result in the ejection of both the manager and the player who was re-entered illegally.

C. Violation of the re-entry rule is handled as a protest that can be made at any time before the last out of the game.

D. A player shall be officially in the game when his or her name has been entered on the official score sheet or announced. Furthermore, substitute players will be considered in the game without penalty as follows:

1. If a batter ⇒ when he/she takes his/her place in the batter's box.

2. If a fielder ⇒ when he/she takes the place of a fielder substituted for.

3. If a runner ⇒ when the substitute replaces him/her on the base he/she is holding.

4. If a pitcher ⇒ when he/she takes his/her place on the pitcher's plate.

E. Whether announced or unannounced, any play made by or on the substitute player shall be legal.

45. **THROWING THE BAT**

A. Should a batter throw his or her bat as a disparaging act resulting from a disagreement with an umpire's call, the batter may be ejected without warning.

B. After an umpire's warning, a player may be ejected for throwing the bat in a dangerous fashion.

46. **TIE BREAKER (DURING THE GAME)**

- A. If a game is tied after seven innings of play, each offensive team will begin every half inning with a runner on second base.
- B. The runner who begins the inning on second base shall be the player who is scheduled to bat last in that respective half-inning.
- C. League time limits still apply.

47. **TIME LIMITS & CURFEWS**

- A. Time Limits
  - 1. The game clock begins at the first pitch of the game.
  - Note: The umpire may start the game clock if (1) he or she has announced that it is "game time" and (2) he or she has given teams one minute from the announcement to throw the first pitch.
  - 2. **All games shall have a 70 minute time limit.**
  - 3. No new inning shall be started after the time limit has expired. However, any inning already in progress when the time limit expires must be completed.
  - 4. An inning ends after the third out of the bottom half of the inning.  
Example: If the game clock begins at 6:15 pm and the third out of the bottom of the fifth inning occurs at 7:26 pm, the sixth inning should not be started.
- B. Time Limit Extension
  - 1. In order to break a tie game, the last game of the evening on a diamond may be continued beyond the time limit, if the managers of both teams agree to continue play.
  - 2. The home plate umpire may call the game due to darkness, curfew, inclement weather, or other causes that interfere with the continuation of play.
- C. Curfews
  - 1. Curfew at VMP 1, 2, 3 and Southeast #1 and #2 is 11:50 pm.
  - 2. Curfew at VMP 4 is 10:50 pm.
  - 3. Lights on VMP 1, 2, 3 will be shut off at 12:00 am and on VMP 4 at 11:00 pm.
  - 4. The Parks and Recreation Department has the final decision on any change in curfew.

Note: If there is not enough time to play the last scheduled game of the evening, either of the managers during the pre-game conference may elect not to play it. However, if they agree to play the game under the time limit, the game stands as long as it meets the minimum required innings necessary for a regulation game.

48. **WALK RULE**

Given that each batter starts their turn at bat with one ball and one strike, a batter draws a walk anytime he/she receives an additional three pitches that the umpire calls balls during his/her time at bat. The award to the batter for the base on balls depends on the gender of the batter and how many strikes the batter is charged with during the batter's time at bat.

- A. Anytime a male batter is intentionally walked or is awarded a walk on consecutive pitches that the umpire determines to be balls without having been charged with a strike **and the next batter is female**, the batter is awarded two bases and the next batter (female) must bat.

Exception: With two outs, the female batter has the option to walk or bat.

Note: Should a female batter-runner pass a male batter-runner when choosing to walk, no out shall be called during this dead ball period. A male batter-runner advancing to second base without touching first base, shall be out if properly appealed.

- B. In any other instance, when a male batter or female batter draws a walk, the batter is awarded first base. Runners advance one base each without liability to be put out only if forced to vacate their base to allow the batter or a preceding runner to advance because of the award of the walk to the batter.

- C. **In all Rec & Ed slow pitch softball leagues, batters begin their time at bat with a one balls and one strike count on them.**

49. **WALK OFF RULE**

In all adult slow pitch play, on any fair batted ball hit over the fence for a home run or one a four base award, the batter and all runners are credited with a run. The batter and any runners on base are not required to run the bases. This rule eliminates any appeal plays on the runners.
