Scarlett Middle School

Title I Parent Involvement Policy

As a Title I school, Scarlett receives benefits from the State of Michigan.

Title I benefits provide additional teacher(s) and/or resources for students who are performing below grade level in reading, writing, math, science or social studies.

Parent involvement is a key component of our Title I program.

At Scarlett, we are committed to providing opportunities for parents to be involved and to have the tools to continue to help their children at home.

Here are the ways we will strengthen the partnership between families and Scarlett Middle School

- Communicate regularly with families to explain student's achievement goals and how progress is monitored.
- Together we will plan and implement parent involvement activities.
- Schedule parent meetings at flexible times that accommodate family needs and working parents.
- Use parent suggestions to improve the home-school partnership and family participation.
- Provide ongoing information/activities that promote increase use of technology to support student achievement.
- Support families in the transition from elementary to middle school.
- Make every reasonable effort to translate home-school communications for families with limited English proficiency.
- Make every reasonable effort to ensure full participation of families with disabilities, parents of migratory children and second language learners.
- Review the district and schools' Parents Involvement Policy.
- Make suggestions to improve the Parent Involvement Policy so that we can improve student academic achievement and school performance.
