

Dear King families,

Happy Sunday! I hope you have been able to enjoy the crisp air and the sunshine this weekend! As soon as I hit the “send” button on this email, I’m gearing up for a bike ride.

We very appreciate your continued patience, goodness and grace as we navigate remote learning. I am extremely proud of both your child(ren) and the King staff! When you look up perseverance in the Webster’s Dictionary you see the faces of our King School learning community!

Actions for all King families:

- **Authenticate Zoom account** (See **Updates/Reminders**)
- **Pick up school supply kits** (See **Important Dates**)

Updates/Reminders

- Zoom Authentication
- Clever Badges / QR Codes
- Front Door Email Address
- Fall FREE Youth Programming from Rec & Ed

Zoom Authentication

- All students/families must authenticate Zoom accounts this week.
 - Here are the instructions on how to do this:
 - **English**
 - **Spanish**
 - During the authentication process, families will need their child’s Google login information and password.
 - This was sent, via email, on August 30th and Thursday September 17th with a subject line: AAPS Student Login Credentials.
 - If families cannot locate this information, they should contact their child’s teacher or email the office professional.

Clever Badges / QR Codes

- Please have students use the QR Codes and Badges that were folded into the letter sent home two weeks ago. If your student did not receive a SEPARATE QR Code / Badge, please contact their teacher.

Front Door Email Address

If you should have questions during this time of the launch of this school year, please reach out directly to our school team using the school outreach email address mlking@a2schools.org

Fall FREE Youth Programming from Rec & Ed

Ann Arbor Rec & Ed staff are excited to announce a new line-up of FREE online and in-person classes for AAPS preschool - 8th graders. Our goal is to provide a variety of fun, physically active experiences with opportunities to see classmates safely in person. From yoga to soccer, and martial arts to dance, we have something every child will enjoy. A complete listing of programs was available at www.aarecedonline.com as of Friday, September 18.

Locations, Days, and Times

Classes will be in different locations each week to cover as many schools as possible throughout the district. Programming will run from Wednesday, September 23rd through Saturday, November 7th. Wednesday classes will be scheduled between 1:30 pm - 5:00 pm and Saturdays will have classes within two sessions: 9:00 am - 12:30 pm and 1:30pm - 5:00pm.

More information on in-person Rec & Ed activities:

- In-person programs will be held outdoors, weather permitting. Due to time constraints, programs canceled due to weather conditions may not be rescheduled.
- The Rec & Ed COVID-19 Health and Safety Protocol will be available to read prior to registration. This protocol contains important information, including that masks are required for everyone in attendance at a Rec & Ed activity, including youth participants, coaches, parents, and Rec & Ed staff.
- Parents are urged to sign up for the classes assigned to their child's school. This will allow your child to see classmates and ensure that programs are available to all children across the school district.
- Rec & Ed is still offering a range of affordable fee-based classes for youth and adults as well. Visit aarecedonline.com for more information.
- If you have any questions regarding specific programs, please contact Seth Dodson, Rec & Ed Team Sports manager, at dodsons@aaps.k12.mi.us.
