RE: Request to Reserve Space

- During the school year, we receive many requests for use of school facilities. We do our best to meet the needs of the school and the community in all of our buildings and appreciate your cooperation. **Please use the attached room reservation form if you need space in the building for after-school activities. We will use this form to place you on the schedule and to avoid conflicts with outside groups.** The general office will have a weekly schedule with all events listed for your building.

Please contact me if you have any questions or concerns. Thanks for your cooperation.
