

# Abbot Elementary School Community Compact 2019-2020

## Abbot School Compact

Abbot students' learning is a collaboration of families, students, and teachers. To ensure that students achieve as much as they can each member of this Abbot School Learning Community agrees to contribute in the following ways:

*Please add anything you find that we missed and sign under your section of the compact*

As an Abbot Staff Member, I will support your child's learning by...

- maintaining high expectations for student growth and academic achievement
- differentiating instruction for all children in order to accommodate varying needs and learning styles
- recognizing, supporting, and appreciating the diversity of our school community
- keeping lines of communication open with students and parents through conferences, phone calls, email, notes and by being available to answer parent questions
- sending formal progress notes home in November, March, and June
- providing parents opportunities to volunteer and participate in their child's classroom activities throughout the school year
- teaching peaceful ways to solve conflicts and maintaining high expectations for student behavior to maximize learning time

As a Parent I will support my child's learning by...

- seeing that my child attends school regularly and is on time
- encouraging good study habits by helping my child find the time and a quiet spot to work at home in order to complete homework, which helps reinforce what he/she has learned during the day
- staying informed about my child's education and classroom events by communicating with his/her teacher in person, by phone, or through email during positive and difficult times
- attending parent-teacher conferences and other school events
- talking with (and listening to) my child about his/her school experiences and activities each day
- supporting the school Positive Behavioral Interventions & Supports program (PBIS)

As a Student I will...

- follow the expectations of the PBIS program
- try to do my homework every day and let my teacher know when I do not understand something
- work hard to do my personal best in class and complete my assignments
- discuss with my parent(s) what I am learning in school
- treat others with kindness and respect and work to solve problems in a peaceful manner
