~~~~~  
**RELEASE OF RECORDS**

After review of the Family Rights and Privacy Act of 1974 and 1976, Huron High School requires permission from a parent, guardian, or if eighteen or older, the student whose record is to be requested, transferred or revealed.

Please complete the section below, indicating **YES** or **NO** to the release of records to colleges, scholarship programs or prospective employers to whom application has been made:

|                                 |                          |                                                   |
|---------------------------------|--------------------------|---------------------------------------------------|
| <b>YES</b>                      | <input type="checkbox"/> | I authorize the release of records.               |
| <b>NO</b>                       | <input type="checkbox"/> | I do <u>NOT</u> authorize the release of records. |
| Parent/Guardian Signature _____ |                          |                                                   |

~~~~~  
**RELEASE OF TEST SCORES**

Your high school transcript must be sent with college applications when applying for admission. The high school receives score reports from tests administered by the American College Testing (P-ACT+, ACT) and the College Entrance Examination Board (PSAT/NMSAT, SAT, ACH, AP) for students who gave the high school code number when registering for the test(s). This test information is sent with the transcript and college application.

Please be aware however, that most colleges will require "official" test scores which must be sent directly from the testing company, and will not consider the application complete until these scores are received. Students must direct the testing company to send their score report(s) to the college(s) of their choice. This may be done for a limited number of reports at the time of registering for the test or by requesting additional score reports. An additional charge is required when the request is made after test registration.

Please complete the section below, indicating **YES** or **NO** to the release of external test scores with the transcript to colleges or scholarship programs to whom application has been made.

<b>YES</b>	<input type="checkbox"/>	I authorize the release of external test scores.
<b>NO</b>	<input type="checkbox"/>	I do <u>NOT</u> authorize the release of external test scores.
