PLAYER RELEASE FORM**

ADULT SPORTS

A player seeking a release must present this form with a new contract, if playing in Ann Arbor, to the Rec & Ed Office in order to be eligible to play on a different team.

A manager/coach/captain may refuse to release a player only if the player does not return his or her uniform to the sending team. Released players will be allowed to transfer back to the sending team only once. In all other cases, a manager may not refuse to release a player if the player wishes to be released. It is advisable that managers collect uniforms at the end of each season.

As per league rules, all players wanting to transfer to another team must pay a \$2.00 fee for each transfer.
