

Schools of Choice Space Availability

For Students Residing OUTSIDE of the Ann Arbor Public Schools Attendance Area

Application Information

April 14 - May 13, 2026

New & Returning Families Eligible!

The Ann Arbor Board of Education has approved a policy under Section 105 and 105C of the School Aid Act (MCL 388.1705) that allows for a limited number of seats in the buildings listed here for students not living within the Ann Arbor Public Schools District. Students living in a school district within the following ISDs may apply to enroll: Washtenaw, Ingham, Jackson, Lenawee, Livingston, Monroe, Oakland, and Wayne.

Space availability is limited and determined after the application window closes. The application window, buildings, and grades posted are tentative and subject to change prior to April 14, 2026. The Schools of Choice (SOC) application window is subject to review and update by the AAPS Board of Education.

Important Considerations

Transportation to and from school is **NOT** provided by Ann Arbor Public Schools. Students are expected to arrive at school on time and be picked up on time.

Acceptance is conditional until AAPS receives and reviews all **school discipline records**.

All high school students may be subject to an athletic ineligibility period per MHSAA policy. For more information, please contact the athletic director at the school your student has been approved for via Schools of Choice.

Details regarding the availability of A2 Virtual+ courses for middle school and high school students are pending and will be posted, as applicable, after the student school assignments have been established.

Once approved, the student may remain at AAPS through graduation. This does not prohibit AAPS from expelling a student for disciplinary reasons.

Application Process

An **online** application is necessary for each student and is available at **a2schools.org/enroll**

The application deadline is Wednesday, **May 13, 2026 at 11:59pm**. By law, applications are only accepted within the application window time frame.

The **number of seats** available at each building and/or grade may **be limited**.

Applications are **not** processed on a first-come, first-served basis. Additional information about how applications are processed can be found online at **a2schools.org/enroll**
